

Brown Swiss Master Breeder 2022

Master Breeder Regulations

1. Over 16-year birth window (2022: births 2003 to 2018)
2. One or more females born & registered in 14 of the 16 years
3. Birth year of animals contributing to a previous shield must not overlap current birth window by more than 2 years (For 2022, previous shield had births no later than 2004)
4. Animals contributing points to a previous shield do not contribute points to a subsequent shield

Registration Counts and Points/Female Registration

Registration count (A)	Females 75% pure or higher – born from 2003 to 2018
Number of years (B)	Number of years with one or more females registered [in registration Count (A)]
Average female registrations per Year (C)	Registration Count (A) / Number of Years (B)
Animals eligible to contribute points (D)	All females [in registration Count (A)] and males
Points earned (E)	Total points for all eligible animals according to point table
Points earned per female registration (F)	Points Earned (E) / Average Female registrations per Year (C)

Eligible members for Master Breeder

Based on National Herd Averages provided by CDN in March each year (use 2021 if exists else 2020) all members with total publishable records greater than five will be considered.

A minimum of 15 points per registration is required to qualify for Master Breeder recognition.
