About the Cover:

Crikside Farm (Manitoba) is currently owned by Morris, Audrey Grier and Family. They purchased a homestead farm from the Guy Post family in 1957. The farm is bordered by the Jordan Creek or (crik) as farming by a creek usually meant there were springs to tap into for water. The farm name became Crikside and in 1961 Morris and Audrey bought 3 pure bred Brown Swiss from a small farm in Minnesota to start their herd.

Have a great photo you'd like featured on the cover? Send it in with a little description to BrownSwiss@holstein.ca

New Brown Swiss Member

Please meet Bella. She is my first Brown Swiss calf after purchasing my first Brown Swiss heifer last year. I grew up on a dairy farm and married a dairy farmer here on PEI. Both farms have Holsteins, but I have always wanted a Brown Swiss since my first trip to Madison, Wisconsin for 4-H. My parents were supposed to buy me a Brown Swiss calf after graduating Vet school, but they couldn't find one available for purchase in Atlantic. I was also supposed to get a Brown Swiss as a "push present" after having my son 3 years ago. Finally, I found a Brown Swiss farmer in NB that had moved from Ontario. I was able to purchase a yearling heifer from him and was beyond excited! It was a dream come true! Now, I have my first calf and I need to come up with my own prefix.

-Erica Allen

The Canadian Brown Swiss and Braunvieh Association Invites you to attend the

2 0 2 3 VIRTUAL ANNUAL GENERAL MEETING

Tuesday, March 21, 2023 10:30 a.m

RSVP REQUIRED

To participate, please pre-register by Monday, March 14, 2023 by emailing your request to BrownSwiss@holstein.ca

You will be emailed the ZOOM login information a few days prior to the meeting. Proposed by-law amendments will also be posted on the website: http://www.browncow.ca by March 1.

Please note that there will be English/French translation during this virtual meeting

Message from Our President

This past summer was marked by the official return of group and social activities! We finally had the chance to meet during the various field days that took place in the provinces as well as the rural judging days and shows for younger members that allow us to promote our breed and to take the time to socialize with other passionate people of the Brown Swiss community.

I must mention the excellent visibility that the Brown Swiss breed had during the last TD Classic which took place at the same time as the Royal Agricultural Winter Fair. Several Brown Swiss subjects were exhibited in the colored breeds class, but to see a heifer of our breed take the top honors in this prestigious competition deserves an honorable mention to Molly King who knew how to prepare and present her heifer of the Nor Bella breeding, recently named Master Breeder.

After two years of postponement due to the COVID, it is finally in 2022 that the Brown Swiss World Conference could take place during the World Dairy Expo (WDE). More than 250 international visitors were present, which allowed for many interesting meetings and discussions with Brown Swiss enthusiasts. After a few days of congress and farm visits, things wrapped up for the EXPO in the stables and arena with the largest attendance of Brown Swiss entries to be judged in Madison that they have seen in the past 20 years.

For the occasion, the Canadian Brown Swiss Association, produced two bilingual banners to display in the barns, highlighting the various advantages of our breed and recognizing some of the top Canadian cows, a good reflection of what the country produces, strong producers, having an excellent classification, while wonderfully representing themselves in the show rings and being sire dams.

I could not be prouder of our Canadian genetics with the performances of our breeders at the WDE. In addition, nearly **20%** of the heifers in the catalog were from Canadian sires.

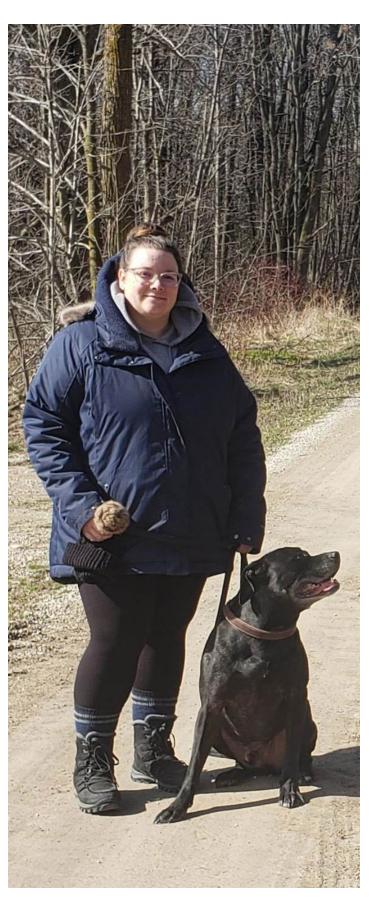

Over the last year, with the valued help of Janine Eygenraam, we have finished revising our by-laws in order to simplify them but also to update them to the reality of our current era. This will make it easier for Janine to perform her duties under our by-laws.

Dave Rousseau,
President of the Board

The 12th World Brown Swiss Conference is going to take place in Colombia in July 2025!

Administrative Message

A year with Brown Swiss!

Well it feels like this year has flown by as I've gotten to know the ropes for the Canadian Brown Swiss and Braunvieh Association! From the wonderful publications and marketing for the association and board meetings I have thoroughly enjoyed my first year as the administrator for the breed! However as of this Christmas I will be taking maternity leave as my husband and I await our first child in January. I have enjoyed my time very much getting to know the board and its members and hope to return to working with these passionate people, who are diligently working on breed improvement and exposure. I would like to welcome and introduce my interim replacement for 2023, Emilie Wallace. She comes to the table with almost 10 years' experience at Holstein Canada, a can-do attitude with a willingness to help and I have no doubt she will thrive in the role. I have enjoyed working with the breed this year and hope to see you all in 2024!

Best wishes to you all during the Christmas Season.

Nicky Barnard

EMILIE WALLACE

New Interim Bilingual
Administrative Coordinator

Hello. My name is Emilie Wallace and I will be joining the Canadian Brown Swiss & Braunvieh Association as the new temporary bilingual administrative coordinator. I've been with Holstein Canada for a little over 9 years now, having three different positions, and I am always willing to learn new things. Please feel free to reach out to me by phone at 1-855-756-8300 ext 290 or by emailing me at ewallace@holstein.ca

96 points for **IROQUOIS ACRES JONG CALI!**

All-Breeds Classification Director Bruno Jubinville and Jean-Réal Surprenant were at Lookout Farm last month to classify this beautiful Brown Swiss!

We asked Bruno why this cow earned 96 points!

"She is an amazing cow, that represents the Brown Swiss breed very well. She is a powerful cow with a fantastic mammary system, large fore udder attachment and super texture. She's a high producer and could work easily in any kind of barn , free or tie stalls, even in the show ring." - Bruno Jubinville

Congratulations to the Pacheco and McKinven families and thanks for the photos!

News from Ontario

Greetings, Brown Swiss families. We have seen the last of summer, but so far are enjoying a pleasant fall in Ontario.

We gathered together a few times over the summer and fall. The Rechsteiner family welcomed us to their home and their new barn for our picnic in July. Courtney Gubelmann was chosen as our Brown Swiss Miss this year. Courtney helped to hand out awards at our shows at Hanover and Kincardine, while showing her 4-H calf at the same time. We had a good turn-out of 4-H members showing their calves at these shows. Twenty 4-H members completed a project with a Brown Swiss calf this year.

Thank you to Our Board of Directors for their service this year: Chairman Dale Phillips, Vice Chairman Simon Signer, Troy McConnell, Bill Los, Stefan Gubelmann, Joel Voth and Shirley Dortmans.

Merry Christmas, The Best in the New Year, and Blessings from the Ontario Brown Swiss Association!

News from Quebec

Hello Everyone,

The year 2022 is already drawing to a close. Sometimes time goes by so fast in agriculture, as well as in life in general. Your Quebec Board of Directors have worked hard for you again this year. Once more, thanks to this great team for their efforts.

Last July, after two postponements due to COVID-19, we finally had our Association's Picnic at Ferme Goulaise. More than 300 people were in attendance. A tag sale took place. From the ten cows that were for sale, six found buyers. A successful event, especially since one of the animals was bought by a farm that did not have any Brown Swiss.

I would like to take this opportunity to thank our hosts - Berthold, Denise, Jean-Yves, Étienne and Cynthia; as well as the volunteers, who worked very hard to organize this beautiful day. Thank you so much!

In November, the Brown Swiss Cup was held. This year's Judge, Ghislain Belley, travelled to several regions of Quebec. He was accompanied by our Technical Advisor, Serge Bilodeau. Beautiful discoveries and meetings for them, as well as for the breeders. Thanks to Ghislain for accepting this mandate and thanks to all those who registered.

The Swiss Genetic file is proceeding. Agriculture Canada should provide their authorization to export doses again in the next few months. We are following the issue closely.

Finally, I would like to wish you a very Happy Holiday Season! May 2023 bring you many positive accomplishments and live up to your expectations.

Greetings To Everyone from Alberta

Greetings to Everyone

First of all, I like to comment on the last Newsletter. The Spring-Summer 2022 Edition was truly excellent and we love the comeback of the name "The Bell". We really enjoyed reading it and looking at the many photos.

Here in Alberta we experienced another dry year affecting most of the Province, however, we fared better than B.C. A matter of fact, everyone we know says they had exceptionally good grain crops and they could take it off early with few (if any) interruptions, because of ideal weather conditions.

The hay didn't fare as good as the grain in our area. It was very dry to start with and so the hay bloomed early, when it was still short. Then the rains finally came, right at the time when haying should have started. In the end, we did have a better crop than last year, and the rain helped to get some second cut.

Mid-September we re-vaccinated the calves and by October 10th we had them weaned. This year, we had a few 4-H kids interested in heifers and it was fun to see them pick out good animals for their projects. We gave the kids the opportunity to spend some time with us to participate in halter breaking calves. It was a great experience for them and we all had a good time doing so. I am just amazed at the motivation of all those 4-Hers.

They were eager to learn and work hard, never complained about anything and all of them showed great compassion, patience and talent in handling animals. So, there should be a few good stories coming forth for the next Summer Newsletter. I will encourage the kids to write something about their projects.

At this time of getting this article ready to submit, we have the most beautiful landscape to admire. I just love fall - it is my favourite season. As often as possible, I take the opportunity to saddle up my horse and go check the cows on pasture - no bugs to plague my horse and the temperature is just right to enjoy. My new horse, named "Friday" (must have been born on a Friday), has spunk and loves having those outings. While sitting in the saddle and watching the cows graze, I wish winter was months away and short. I would love to trade a few months of winter for additional time of fall.

We have, after 25 years of participation at Farmfair, decided not to go this year. It has become just too much work for us. However, I am already sad about that decision and the 4-Hers have all offered to be there with us and help, should we change our minds. Entries closed on October 1st, but we could still go sign-up for "Late Entries" at higher rates until November 1st, if we wanted to. So, we have two more weeks to think about it. I would love to go, but.... Well, you have to wait till the next Newsletter to find out if we did or didn't.

With the year 2022 soon coming to an end, I want to wish all the readers a Merry Christmas and a Happy, Healthy and Prosperous New Year.

Sincerely, Verena Peden, Secretary-Manager of the Alberta Braunvieh Association

Our Condolences

Our condolences go out to Kelly of Bonwick Braunvieh for the loss of his partner Natalie, who passed away on September 30, 2022. Natalie loved the Braunvieh and was an eager participant at last year's Farmfair, always ready to help. Natalie was kind and cheerful and she will be missed by all that knew her.

Kids with Cows

What a great group of kids with Cows! Featured in these photos are Shaely Junck and Mira Schamber from Alberta. Representing Saskachewan we have Riley, Taylor, Bobbie and Harlie Jans.

These six 4-H kids all chose the privilege of showing Braunvieh cattle as their 4-H beef projects this year for 2022-2023. Beautifully representing the breed, a total of six heifers and one steer were shown.

To the joy of the kids Verena and Ian accompanied these 4-H members to the local Farmfair event, helping them prep and show their cows. We are so grateful to have these producers continue to provide support for the breed and the next generation of enthusiasts.

News from Manitoba

Greetings from Manitoba!

After a very wet spring, and a lovely summer, we are enjoying the harvest season. There is always a lot to do to keep us busy as winter approaches.

As an Association, we were able to get together two times this year, after being unable to gather for the last two years. We are a small group, but we have developed lasting friendships over the years, so we value these times of seeing each other again.

Our Annual Meeting was held in March, 2022, in Carman, Manitoba, with eight members present.

Then, on July 10th, we had our Annual Picnic at the home of Laurie and Donna Harp, near Brandon, Manitoba. There were about twenty-two people present, and we enjoyed good food and visiting.

Production awards were presented by Fred Mathys, with the Highest BCA Herd and the Highest BCA Cow awards going to Sight Hill Farm of Austin, Manitoba. The award for Most Improved Herd went to Four Oak Farms of Kleefeld, Manitoba.

The day ended with a Barn Tour. We enjoyed seeing the mixed dairy herd of high quality Holsteins, Jerseys, and Brown Swiss. The children especially loved the little calves and playing with the kittens! It was a good day! Thank you, Laurie and Donna, for your warm hospitality.

Best wishes to everyone. I hope your winter goes well, and that you have a wonderful Christmas!

Linda Doerksen, Secretary Treasurer, The Manitoba Brown Swiss Association

Looking to find a special gift for Christmas, next year's 4-H project, or to add better genetics to your herd?

We sell top Brown Swiss cattle of all ages and can help arrange shipping accross Canada.

Heifers and young cows are all Genomic and A2A2 tested out of deep cow families with high production and multiple generations of VG or EX dams from our high health Master Breeder herd.

Simon with his 2021 4-H calf Gubelman Kingsley Carmen grand Champion Hanover fair 2022 Courtney the Brown Swiss miss congratulating him.

Courtney winning Champion showmanship at Seaforth Fair with Gubelman O Malley Kiwi, Rachel Gras reserve Champion showmanship with Gubelman Pactole Devine. Courtney and Rachel went on to win Champion and reserve Champion Sweepstake where they also had to show a pig, a lamb and a goat!

Gubelman Cadence Miracle EX92 93 MS 4-03 projected lactation 13'160kg 4.6% 3.9%.

Gubelman Dally Miley VG88 103'000kg + lifetime production was purchased from our farm fresh in her second lactation by Klaas
DeBoer to keep his wife Annie happy on their new freestall farm. Klaas and Annie bought 2 cows that day, both still milking in their
Liberty herd! Two weeks later Klaas calls back if I have any more for sale as **he** liked them so much! Congratulations to Klaas and Annie
on your first 100'000kg Brown Swiss and thanks for taking such great care of your cows!

TRYING SOMETHING NEW A Youth Interview With Bennett Huesing

Hi, my name is Bennett Huesing. I am 12 years old and I am from Markdale, Ontario. I live on a dairy farm with Holsteins and I decided I wanted to try something new, the Brown Swiss breed. My parents own the Holstein herd and gave me the opportunity to start my own herd. Today, I own three Brown Swiss and two Holsteins.

WHAT DO YOU LOVE ABOUT THE BROWN SWISS BREED?

I live on an organic dairy farm and the research I did about the breed made me feel that they would be a great pasturing animal. I love the breed's personality and the colouring of the Brown Swiss.

WHAT DO YOU FIND THE MOST CHALLENGING ASPECT WORKING WITH CATTLE?

The biggest challenge for me is making mating decisions. You don't know the results of the outcome until your animal is in the milking herd. Also, the Brown Swiss bull selection is limited and harder to source.

CAN YOU TELL ME A BIT ABOUT YOUR PROJECT YOU USED THIS YEAR?

In the winter of 2020 I purchased my first Brown Swiss heifer from Sigview Farms, Moorefield, Ontario.

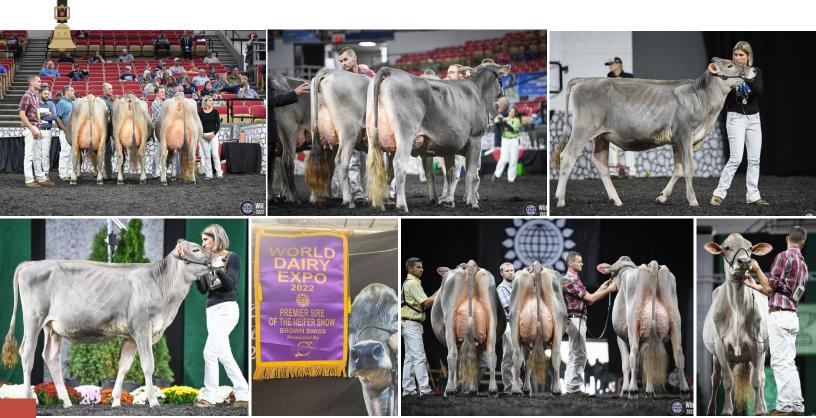

I bred her in June of 2021 and she calved March 22, 2022 and was a heifer calf. I decided that I wanted to show my very own calf for show season – PALLING NO LIMITS CARAMEL.

WHAT VISION DO YOU HAVE FOR UTILIZING BROWN SWISS IN THE FUTURE?

To utilize the Brown Swiss breed in the future, I plan on continuing to breed Brown Swiss, purchase a few more Brown Swiss to increase my genetic base and eventually in the future I plan on having a half Brown Swiss and half Holstein herd.

HOW HAS THE BROWN SWISS BREED HELPED YOU GROW AS A PERSON?

Having my own small herd has given me the responsibility of making decisions, understanding the cost of things and taking really good care of my animals.

World Dairy Expo

World Dairy Expo, and therefore Madison, Wis., serves as the meeting place of the global dairy industry — bringing together crowds of 60,000 people from nearly 100 countries. But the latest dairy innovations and best cattle in North America aren't the only things bringing dairy enthusiasts to Madison each year. Annually, in conjunction with the global event, companies and organizations plan meetings, conferences, farm tours and events to include World Dairy Expo as part of the experience. Rel Seykora, Secretary of the National 4-H Dairy Conference says, "We want these kids to enjoy World Dairy Expo because of Conference. What we love to see on our feedback forms is 'seeing the beautiful cows,' and 'seeing the colored shavings.' It's like kids in a candy shop, they just love it, and that's what we want: The full-body, cow experience with Conference." Visit the World Dairy Expo website to learn about more industry events in Madison the first week of October.

Brown Swiss Conference

Following a history of 11 international Brown Swiss events spanning back to 1980, the U.S. Brown Swiss Association will host the World Brown Swiss Conference in Madison for the third time. Norman Magnussen, Executive Secretary for the U.S. Brown Swiss Association, says the conference is held every four years, rotating between the U.S. and Europe. "It's for anybody that likes Brown Swiss cows, from all over the world," Magnussen says. "We're meeting with other country associations to discuss what everyone is doing as far as promotion, classification and research."

With capacity for up to 300, Magnussen says international attendees represent a large portion of the conference. "They want to see cows, do farm tours, and of course with World Dairy Expo, we have North America's best Brown Swiss all in one place — that's what they want to come for." Magnussen emphasizes the significance of the U.S. being the host country, as a small percentage of the world's Brown Swiss cattle live on U.S. soil. Although a small population, U.S. Brown Swiss genetics have a global impact and a lot to offer during the international conference.

World Dairy Expo® Breed Sales Remain Successful

MADISON, WIS. – The 2022 World Dairy Expo Breed Sales once again offered consignments from the Showring and top genomic heifers. Buyers from around the world vied for the many world-class cattle and embryos sold during the 55th event. Following are the highlights from the four breed sales that took place last month at WDE.

Top of the World Jersey Sale:

Tuesday, October 4

The Top of the World Jersey Sale took place on Tuesday, October 4 in The Tanbark. Topping the sale was JX Pine-Tree Stoney 2770 {4}-P-ET, consigned by Pine-Tree Dairy of Marshallville, Ohio, and was purchased by Semex and Vierra Dairy, Guelph, Ontario, Canada, for \$18,500. The second-high seller of the night was rights to an IVF session from Pine-Tree 2271 Feder 2718-PP-ET, also consigned by Pine-Tree Dairy of Marshallville, Ohio. Four J Farms of Tulare, Calif. purchased this for \$4,000. The 16 lots averaged \$3,480 with a sale total of \$55,700.

World Ayrshire Event Sale:

Tuesday, October 4

The World Ayrshire Event Sale was also held on Tuesday, October 4, and was topped by a pick of five March 2023 calves from Margot Precious sired by Libby's Lochinvar. This lot was consigned by Kurt Wolf and Mike Maier of Epworth, Iowa and was purchased by Luck-E Holsteins, Hampshire, Ill. for \$11,000. The sale's 14 consignments totaled \$67,475 with a sale average of \$4,820.

World Premier Brown Swiss Sale:

Wednesday, October 5

The World Premier Brown Swiss Sale filled the Sale Pavilion on Wednesday, October 5 following the completion of the International Brown Swiss Show and wrapped up the Word Brown Swiss Conference. Consigned by Dennis Mashek – Hilltop Acres, Calmar, Iowa, the high-selling lot was Hilltop Acres J Promise-ETV, who sold for \$28,500 to STgenetics of Navasota, Texas. The second highest lot, La Rainbow Sweet Cheerful-ETV, consigned by Brian Lammers of Botkins, Ohio, was purchased by Pine-Tree Dairy, Marshallville, Ohio for \$20,500. A total of 33 lots were sold, for a sale total of \$280,650 and averaging \$7,995 per lot. The buyers represented 9 U.S. states and Canada.

World Classic '22 Sale:

Thursday, October 6

The World Classic rounded out a week of successful breed sales with a sale average of \$39,373 for 53 lots, totaling gross sales of \$2,086,750. Topping the sale, for a price of \$170,000, was JX FB Verstappen {6}-ET, a Jersey heifer calf purchased by Vierra Dairy, Hilmar, Calif. and consigned by FB Genetics, Dumas, Texas. The second-highest selling lot, FB World Classic, was also consigned by FB Genetics, Dumas Texas, and was purchased by STgenetics, Navasota, Texas, for \$105,000. Buyers represented 10 U.S. states and two Canadian provinces.

Serving as the meeting place of the global dairy industry, World Dairy Expo brings together the latest in dairy innovation and the best cattle in North America. The global dairy industry will return to Madison, Wis. for the 56th event, October 1-6, 2023, when the world's largest dairy-focused trade show, dairy and forage seminars, a world-class dairy cattle show and more will be on display.

Download the World Dairy Expo mobile event app, visit worlddairyexpo.com or follow WDE on Facebook, Twitter, LinkedIn, Spotify, Instagram or YouTube for more information.

Jessie Weir, whose dedication to the dairy industry is evident through her professional contributions as past Breed Secretary for the Guernsey and Brown Swiss and Braunvieh Associations, and her impressive career in various roles within EastGen and its legacy companies spanning more than 37 years, was recently recognized with an *Outstanding Dairy Women Service Award*. Presented during the Holstein Ontario Summer Social activities held in Elora, ON, this award recognizes the efforts and highlights the work and accomplishments of Ontario women who have devoted their lives in an effort to serve, promote and enhance the dairy industry.

Jessie is currently EastGen's Executive Assistant to the General Manager. She is also a partner in Gorweir Farms Inc., Guelph, ON, a Master Breeder Holstein herd and a custom farming business. Gorweir recently earned a Holstein Canada Herd of Distinction Award for total lifetime production of animals in their herd - the top herd in Canada for 40-49 cows with a robot/freestall setup. Congratulations Jessie!

Past Winners: 2021 - Diane Jarrell-Ray; 2020 - Bonnie den Haan; 2019 - Deb Knapton; 2018 - Barb Fraser; 2017 - Janet Ringelberg; 2016 - Ruth Vogel; 2015 - Karen Velthuis; 2014 - Sandy O'Hara; 2013 - Nancy Beerwort; 2012 - Elaine Standeaven; 2011 - Heather Parkin.

Photo: Jessie Weir, centre, is joined in the front row by her husband Chris Weir, left, and father Gordon Dunk. Back row, from left, are longtime EastGen/legacy EastGen colleagues Brian O'Connor, Murray Reissner, Lori Wietzke, Dr. Tim Henshaw, and Lowell Lindsay. *Photo by Katrina Joy Photography.*

4-H Shows

4-H kids in Ontario are choosing to display the Brown Swiss Breed this year. Exhibiting some lovely cattle at local fairs this year 4-H members with Brown Swiss Calves and Heifers attended a slew of both 4H shows and fall fairs, including Bayfield, Seaforth, Hanover, Lucknow and Ripley. After a reprieve from COVID we are thrilled to see the increase of members willing to get back out there supporting the show circuit. We hope to continue to see an uptick in popularity with the breed in the next generation. Congratulations to all exhibitors this year you've made us proud!

Below are some photos of exhibitors presenting their animals at the shows.

Hanover Show Results

Hanover Brown Swiss show 2022 was held at the Hanover Fairgrounds Hanover ON, on Saturday, August 13th, 2022.

Our judge was Kevin McGrisken from Shelbourne Ontario and our long-time ring man Ray Vanderweilen returned to do the honors.

Brown Swiss Representation at the TD Classic

Congratulations to those members and competitors from the Bruce County TD Classic team on their achievements at the Royal Winter Agricultural Fair. We are pleased to see such great exposure of the breed by 4-H members and congratulate everyone on the team on their accomplishments.

Molly King was Champion Coloured Breed with her Brown Swiss winter calf, NOR BELLA ELISIUM FLEANOR

Sarah Weber placed 10th with her Brown Swiss fall heifer, NOR BELLA TU SG EMMA

When they got to the barn, all the calves had to be rewashed because they had not stayed clean overnight. After the pack was cleaned and new shavings added, hay was put out and the calves were returned clean from the wash bay. Around 9:30 a.m., top setting was started so that they would all be ready in time for the opening of the show at 2 p.m.

Part of the TD Classic is Best Exhibit. The judges are looking at how the team interacts with the public, and how neat and tidy the team area is. The judging started at 8:30 Monday morning and continued for the rest of the show.

At 1:30 p.m., one member from each team was called to the Ring of Excellence to carry in the Bruce County sign in the opening ceremony. Additional members were called to carry the flags for each province represented, as well as the Canadian and 4-H flags.

The opening ceremony parade was headed by three members of the Toronto Mounted Police Force on their horses. They were followed by the flag-bearer and finally the county sign-bearers. The ceremony concluded with the singing of the Canadian National anthem.

The rest of the day was taken up with showmanship classes. Because of the large number of competitors (more than 300), each class was divided into heats and the judge chose between six and 11 competitors to compete in the final class. Micaela Hill was the only Bruce County member to qualify for the final class.

After a very few hours of sleep, the members were back at the barn Tuesday morning to prepare for the conformation show.

While every Bruce County calf qualified for its final class, only the top 20 places make the official list. From Bruce County those members were:

Jason Walke placed fourth with his Holstein fall heifer, WATDALE ASHBY BOOM LOU

Micaela Hill placed seventh with her Jersey fall heifer, ELMHURST-QC J MY MOMMA SAID

MacKenzie Goetz placed eighth with her Jersey Summer yearling, PAULLYN VIRAL RYSAH

Molly King was Champion Coloured Breed with her Brown Swiss winter calf, NOR BELLA ELISIUM ELEANOR

Sarah Weber placed 10th with her Brown Swiss fall heifer, NOR BELLA TU SG EMMA

The Canadian Brown Swiss and Braunvieh Association was happy to act as a sponsor for the TD Classic team and wish you all well in next year's competitions.

2022 ALL CANADIAN 4-H CONTEST

Deadline: January 6, 2023

The All Canadian 4-H Contest was established to recognize the outstanding animals shown at 4-H shows across the country.

Classes for the 2022 contest include:

Junior Class:

- 1. Junior Calf Mar 1/22 May 31/22
- 2. Intermediate Calf Dec 1/21 Feb 28/22

Senior Class:

- 3. Senior Calf Sept 1/21 Nov 30/21
- 4. Summer Yearling June1/21 Aug 31/21
- 5. Junior Yearling Mar 1/21- May 31/21

Eligibility

To be eligible for entry in the All-Canadian 4-H Contest the animals must meet one of the following qualifications:

- 1. Place 1st, 2nd, 3rd, 4th, 5th or 6th at the national show.
- 2. Place 1st, 2nd, 3rd or 4th at any other show in North America.

Pictures

It shall be the responsibility of the exhibitor to secure and supply the photos of animals being entered in the All Canadian Contest.

- The photos must be 5 x 7 unretouched black and white or coloured glossy prints.
- Pictures must be made during the current year and show the animals in the same stage of growth and/or lactation as when she qualified in the show ring.
- The judges will have the authority to remove pictures from the contest if picture quality standards have not been met.

Entries

- Entries must include one picture and a completed entry form.
- A confirmation email will be sent for each entry.
- All entries must be received by February 3, 2023. There are no exceptions.
- Entry fees: all fees for the 2022 All-Canadian 4-H contest have been waived

Judging of the Contest

- Entries will be judged by three judges as selected by the Executive, who will select the winner by placing them 1, 2, 3 (with 7 pts for 1st, 3 pts for 2nd 1 pt for 3rd).
- Once the classes have been placed, the points will be tabulated to determine the winner. (Judges who have animals in a class will have to abstain from those classes).

Presentation of awards will be made at the CBSBA Annual Meeting, spring 2023.

Entry forms can be obtained from the Canadian Brown Swiss and Braunvieh Association, 20 Corporate Place, Brantford, Ontario, N3T 5R4, Phone: 519-756-4720, Email: brownswiss@holstein.ca

Message From the Registrar

Hello members,

As I sit here writing, I can't believe how the year has flown by! I hope that you have had a good summer and that you are well on your way to finishing the harvest this year.

As I reflect on Thanksgiving just gone by, I realize that I have many things to be thankful for, among which, are the beautiful fall colours we have experienced this Fall season. I am also thankful for some time off I could take off in September.

I was able to help out a bit more at the farm I work at. One of my sisters got married in September and I am thankful to have been a part of that too. (Picture: my nephew and I all dressed up).

A couple of you have recently come back from a successful trip to the World Dairy Expo. Congratulations to those of you who exhibited!

Elsewhere in the Bell, you will find the forms for this year's All-Canadian contest—both the 4-H contest that was introduced last year and the regular contest. I am glad that you were able to participate in several shows this year which, for the past while, have been canceled. It should make for an exciting announcement in the New Year!

Here at the office, I am still at the same phone number and extension so if I can help in any way, just give me a call. I would love to chat with you.

THE MAGIC OF THE COLOURED SHAVINGS

SHIRLEY DORTMANS - DORTHOLM HOLSTEINS

Each year in early October the big trailer rolls in with the animals heading to Wisconsin to show at World Dairy expo. Our farm is a halfway stop on their journey and the cows and crew need a break before the next 10-hour ride.

The enthusiasm is written all over their faces as they open their perfectly packed trailer with absolutely everything they will need for their 10 days stay at the World Dairy Expo.

The veterans on the crew are careful to unload each cow. If you are worthy of the ride you are special. The rookies are the trailer cleaners, starting from the ground up, and like family the cows always come first: watering, feeding and milking getting the utmost care. The stories and laughter have already started setting the stage for team bonding.

After a good rest they load up and continue to head on their way to the American Border. If we don't hear from them it's usually good news as that means they crossed the border with no problems! We usually receive a phone photo of the Madison next exit sign many hours later as confirmation.

Seeing old friends, making new ones and being at a show with 3,000 head is one of the most amazing experiences. We follow the animals from home on the live stream during the entire week. Seeing them walk into that large Arena... their animal and lead person placing their feet anxiously onto the colored shavings it must be an incredible feeling of accomplishment.

The week passes quickly and with a return time planned we get the call they have cleared the border en-route to home. The big trailer rolls in again. A happy but tired crew, glad they went but looking forward to getting home. Cows still look great as if it had been a vacation for them. With the food ready, the crew tells us the highlights of the week as we gather together eating and celebrating like a small family reunion.

Soon enough it's time to get on the road again. Lots of hugs and plans for next year...this is the magic of the colored shavings.

Voth Valley Farms

Alma, Ontario

We're milking 100 cows on 2 GEA robots with pasturing access in the evenings in alma, Ontario. We're starting to introduce some purebred Brown Swiss genetics into the herd by starting with Abbey and her now two calves. We are loving the laid-back personality and higher components that the Brown Swiss breed is adding to our herd.

"Heartwarming. Beautiful photographs illustrate a beautiful message of the importance of having hope in our lives. Highly recommend this lovely book for both young and adult readers."

Selection for Milk Caseins: Beta and Kappa

August 16, 2022 by Hannah Sweett, Ph. D. and Brian Van Doormaal

Producers and consumers around the globe have had an increased interest in A2 milk, mainly for its improved digestibility. But did you know there is another milk casein entering the niche market? Kappa Casein is known to play an important role in cheese production. In response to the increase in marketing and selection of favourable milk properties, Lactanet others Kappa Casein and Beta Casein gene test results.

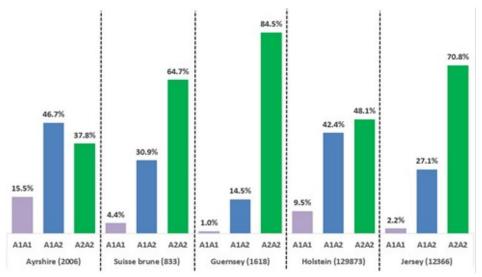

Beta Casein Refresher

Beta Casein is one of four milk proteins, accounting for approximately 30% of all protein in milk. The gene controlling Beta Casein is located on chromosome 6 and is made up of a chain of 224 amino acids. There are two forms of Beta Casein, A1 and A2, with the A2 form related to improved digestibility. The possible Beta Casein genotypes are A2A2, A1A2, or A1A1.

As you may recall, Lactanet released its online A2 (Beta Casein) reports earlier this year to provide its DHI customers a summary of the A2 status of their animals and herd. For more information on how to use the A2 Genotype Reports please see our previous article, A2 (Beta Casein) Reports Now Available!

Figure 1 shows an updated frequency of each A2 genotype by breed estimated using the gene test results currently available, with the count of animals in brackets. Guernsey, Jersey and Brown Swiss breeds have a higher frequency of the A2 gene compared to Holstein and Ayrshire.

Figure 1. Distribution of Beta Casein (A2) Genotypes by Breed (No. Animals)

What is Kappa Casein?

Kappa Casein is another milk protein, which accounts for roughly 13% of all milk proteins. It is also controlled by a gene located on chromosome 6 and comprises a sequence of 162 amino acids. It plays an important role in cheese production, influencing the amount of clotting that occurs and the resulting cheese yield. During cheese production, Kappa Casein is a stabilizing factor that determines how well and how quickly the milk coagulates to form a curd.

Kappa Casein Genotypes

There are nine different forms of Kappa Casein that occur due to mutations, with A, B, and E being the most common. Depending on the transmission of these three forms from an animal's parents, six different Kappa Casein genotypes can result, namely AA, AB, AE, BB, BE, and EE. Each of these genotypes produce different forms of Kappa Casein in the milk, impacting cheese quality.

Selection for Milk Caseins: Beta and Kappa

August 16, 2022 by Hannah Sweett, Ph. D. and Brian Van Doormaal

Cows with the BB genotype produce milk with higher levels of fat and protein that clots more quickly and produces the highest cheese yield compared to the other genotypes. Cows with the EE genotype produce milk that does not clot to make cheese and is therefore considered the most undesirable genotype to cheese processors. The following image illustrates the order of Kappa Casein genotypes in terms of their respective cheese-making properties.

Increasing Kappa Casein concentration and favourable

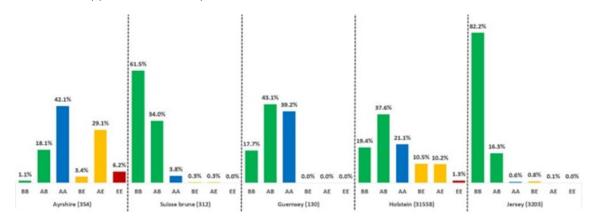

Cheese Production

The Lactanet Genetics database has recently been receiving new and historical Kappa Casein gene test results from A.I. companies, breed associations, and international sources. The prevalence of Kappa Casein genotypes within a breed is dependent on the frequency of the A, B, and E forms in the population.

Figure 2 shows the frequency of Kappa Casein genotypes by breed as estimated using the gene test results currently available, with the count of animals indicated in brackets. The Jersey and Brown Swiss breeds have the highest frequency of the BB genotype at 82.2% and 61.5%, respectively. As a result, the A and E forms are less predominant in these breeds. The frequency of the BB genotype is similar in the Guernsey (43.1%) and Holstein (37.6%) breeds but lower in Ayrshires at 18.1%.

Since the genes controlling Kappa Casein and Beta Casein are both located on chromosome 6, some degree of inheritance relationship may exist and selection for both A2A2 and BB genotypes is possible based on known genotypes.

Figure 2. Distribution of Kappa Casein Genotypes by Breed (No. Animals)

Summary

Producers interested in increasing the frequency of A2 cows in their herd can do so by the preferred use of A2A2 or A1A2 sires. Similarly, for Kappa Casein, selecting for BB or AB sires will gradually increase the frequency of BB cows. These sires can be identified using filtering features of the Advanced Group Query tool on the Lactanet web site. In addition to these tools, to select for Beta Casein, Lactanet customers can use the herd and animal A2 Genotype Reports accessible via your MySite account, which were launched in January 2022.

THE BELL | FALL-WINTER 2022

Thank you Canadian Brown Swiss & Braunvieh members for you continued support to the breed. If you would like to have your farm profiled in our newsletter or if you have any pictures we can use for publications send them to BrownSwiss@holstein.ca
