# Brown Swiss & Braunvieh Association

December 2005

#### President's Message

In my opinion the 2005 Royal Winter Fair was a great show. The atmosphere amongst the exhibitors was great, the cows and the people liked the barn and the new concept. Angelo Pozzati judged the top quality Brown Swiss animals professionally. He's one of the first European judges to judge a North American Brown Swiss show. Bruce Mason missed his first Royal winter fair in over 60 years due to health problems. We hope he gets well soon. Thanks to everyone who helped make this Royal winter fair a great success. Special thanks to all the Breeders/Exhibitors. Another highlight of the Royal was a heifer offered for sale in the Sale of Stars by Markus Mueller and Ferme Vannod. Swiss Dream Farm is now the proud owner of this individual selling for \$9,100.00. Thank you to Markus, Roger & Fred for this great promotion of the breed. The Association finances seem to be turning for the better. The promotion we had for new breeders increased registration and the reminders in the newsletter must have helped too. In the first 6 months, registrations increased by 612 animals to 1428. Also transfers and memberships increased significantly, that's great news. CDN did a study on inbreeding levels on dairy breeds, and to my surprise Brown Swiss had the lowest inbreeding levels at 3.92%, Holstein at 5.2%, Jersey's at 6.01%. "Breeders keep up the good work". All breed classification started back in August and is working out really well so far. I've talked to quite a few breeders and they like the new program. Jay Shannon and Tom Byers from Holstein Canada were positively surprised at how well it's working out for everyone. After the finances and everything is completed, JCB will become dormant but can be activated in case of future problems with classification. We are continuing to work on getting an All Breeds Registration program in place. It sill needs a great deal of work. The Government is going to give us a grant called Sustaining Genetic Quality of Ruminants. The money will be spent on updating our website, making a new membership directory, starting a promotion campaign with a new brochure, and creating a special edition of the Bell magazine. This means a great deal of extra work for Jessie. I would like to take this opportunity to thank her for all that she does. She goes above and beyond her duty. The lab in Saskatoon gave us notice that it will stop blood typing by the end of this year, after that it will only do DNA typing. If you use old semen or do embryo transfer make sure there is a DNA sample on file. Next year the Annual General Meeting will be held in Ontario. I am looking forward to seeing you there. It will be a business trip but you can also look at it as a little getaway from home. It isn't Christmas yet but it'll be here soon. I want to wish you a merry Christmas and a healthy prosperous 2006. Think positively about Brown Swiss it's your business and your livelihood. Brown Swiss, components that pay and cows that last!

> Your President, Ernst Gubelmann

# Canadian Brown Swiss and Braunvieh Association Annual General Meeting Hosted by the Ontario Brown Swiss Club

#### Wednesday, March 29th, 2006

- 9:00 a.m. Board of Directors Meeting, at hotel (to be announced), Stratford, ON
- 7:30 p.m. Meet & Greet, at hotel (to be announced), Stratford, ON

#### Thursday, March 30th, 2006

- 8:30 a.m. Registration, 9:00 Annual General Meeting, at hotel (to be announced), Stratford, ON
- · Banquet, Fun Auction & Entertainment, at hotel (to be announced), Stratford, ON

#### Friday, March 31st - Farm Tours

Hotel and further information will be provided with the next newsletter.

Amendments to the constitution must be received at the CBSBA office no later than December 31, 2005

# Canadian Brown Swiss and Braunvieh Association

#### Five Year Goal...

- 350 kgs. of Protein nationally
- 20% more registrations
- 20% more members

Our goal accomplishments will be published in the newsletter yearly.

- Tattoo letter for 2005 is R, and 2006 is S.
- If you have cattle or embryos for sale please send a list to the office so interested parties requesting this information can be made aware.
- Suggestions, comments, stories, jokes, articles that would be of interest in the newsletter are always welcome.
- Rates for Placing a Newsletter Advertisement; Business Card Ad \$25.00 Quarter Page Ad \$65.00

Half Page Ad \$125.00 Pre-Approved Stuffers \$250.00

# Seasons Greetings and all the Best in the New Year...

From everyone at Dun Kovin Acres The McConnell's

# **Provincial Brown Swiss Club Reports**

Ontario

Hello, Brown Swiss breeders across Canada. We are getting our first snowfall of the year in Ontario, and it looks as if it might stay. We held our Annual Meeting on Saturday, November 19. We are appreciative of the work the directors have done over the year. We are also pleased

Our Brown Swiss Miss this year is Tiffani Jelinski. Tiffani has found it to be an enjoyable learning experience, and we thank her for her excellent representation

that Mark McConnell has agreed to another term on the

Canadian Brown Swiss and Braunvieh Association.

of the breed at the fairs.

Glen McConnell won the first prize of \$500.00 in our draw this year, and second prize went to Hans Nussbaum.

Congratulations to Walter Von Ah, who won the Highest B.C.A. Award on 10 - 25 records with an amazing average of 276, and Ernst and Stefan Gubelmann, who had a B.C.A. of 262.7 on a total of 49 completed records. John Deelstra and Bill Butler won the awards for Most Improved B.C.A. The members agreed that

high profile cows need to be promoted, so that other breeds are aware of the statistics. We plan to make outstanding accomplishments known in the dairy world.

Ontario is looking forward to hosting the C.B.S.B.A. Annual General Meeting from March 29 - April 31, 2006. Ontario directors and members wish everyone a safe and happy Christmas season. We hope to see as many as possible in the spring.

Tracy Reid

#### In Memory ...

Mr. George Koskewich, beloved husband of Verna (Hillmer) Koskewich, passed away suddenly at home in Del Bonita on Sunday, July 24, 2005. George was born on March 15, 1928 in Hardieville to John and Lena Koskewich. He moved to Del Bonita with his family to farm in 1930, where he resided until his passing. He married Verna Hillmer on August 2, 1957. In 1962 they began breeding purebred Brown Swiss cattle. They were among the first breeders in Canada to use European Braunvieh influence in their herd and they won many awards for their show cattle over the years. George continued with his herd right up until his passing. For many years George was an avid hunter and fisherman. He was active in the Del Bonita Wildlife Club and the Del Bonita Coin Club, as well as 4-H for many years with his children.

George is survived by his wife Verna; three children: Byron (Sherri) of Del Bonita, Dianne (Ken) Mertz of Lethbridge and Judy Westcott of Lethbridge; four grandchildren: Amanda and Ben Koskenwich and Cliff and Sam Westcott; two step granddaughters: Tara Mertz (Tony Thompson) and Tawni Mertz; one step great granddaughter Taylor Thompson, brother Alex Kostewich of Lethbridge and siter Vickie Sommerfeldt of Cardston, as well as seven nephews and their families.

George was predeceased by his parents, sister-in-law Florence Koskewich, brother-in-law Darrel Sommerfeldt, mother and father-in-law Violet and Ernst Hillmer and brother-in-law Ray Dalton.

#### **Bova-Can Laboratories - Important Notice**

The transition from blood-typing to DNA-testing started at Bova-Can Laboratories in February, 1993. During the past 12 years, the livestock industry has benefited from both services being available to meet their testing and certification requirements. However, over the last two years, the number of requests for bovine blood typing has fallen to a level that does not allow for a cost-effective operation of this service.

Blood typing services, offered by Bova-Can Laboratories for parentage verification and identification of cattle, will be terminated on December 31, 2005.

Bova-Can's Business and Service Committee, which is largely composed of representatives from your Breed Associations, thoroughly considered all of the available options for the blood typing program. With over 95% of the industry relying on

DNA-based testing, the Committee felt that our industry will be better served by having Bova-Can Laboratories focus on DNA testing for parentage verification, with expanded genetic analyses to include disease and production traits.

While blood typing services were the backbone of the Laboratory and have been a critical and fondly-remembered service, DNA analysis has the potential to provide significantly more value to the industry. Bova-Can Labs is sorry to terminate blood typing activities, but looks forward to helping our industry develop the future with DNA-based services.

Dr. Yves Plante, Laboratory Manager Boya-Can Laboratories

#### **Select Sires Adds High-Components Breed Sires to Lineup**

PLAIN CITY, Ohio, Nov. 22, 2005 - Select Sires added one Jersey and two Brown Swiss bulls to the active-A.I. lineup following proof reviews Nov. 14. The three sires are graduates of Select's Program for Genetic Advancement(TM) (PGA(TM)) and are backed by strong genetics on top and bottom of the pedigree, with one of the Brown Swiss ranking as the fourth-highest bull for PTI among all proven artificial insemination bulls.

"Select Sires is dedicated to developing the best sires for the high-protein herd's economic success today and in the future. Our emphasis has been on high-component and high-type sires for the dairy producer, and our results in these categories rank among the top in the breed," said Jeff Ziegler, manager of protein/specialty sire programs for Select Sires.

Select boasts three of the top seven high-PTI bulls in the Brown Swiss breed and three of the top six Jersey Type sires, Ziegler said.

7BS766 Blessing Banker AGENDA ET debuts as the breed's top-ranked Brown Swiss bull for type among all new graduates at +0.7T and No. 4 PTI sire at +187 PTI (62% Rel.). Backed by three dams scored Excellent (91-2E), (92-2E) and (90-3E), and each with multiple milk records over 30,000 pounds, it's no surprise AGENDA carries an impressive +868M +.05%P +.09%F (72% Rel.-M) +0.22UD and +0.70FL. This sire also comes from a line of elite bulls on the maternal side, including 7BS693 Top Acres Dotson PROPHET ET, Forest Lawn Simon JETWAY ET, R Hart Simon ENSIGN ET and Ventures ESP BABARAY, all of whom have made positive contributions to the breed. AGENDA sires tall daughters with angular front ends and builds strength, frame, width of udder and improves udder support.

A maternal brother to the breed's No. 2 PTI bull (+204), 7BS761 Triangle Acres Pol POLO ET holds his own at +124 PTI (57% Rel.) and is the breed's highest United States-bred son of Emory Tammys ZOLDO\*TW, an Italian sire known for very good udders and components. POLO's 111 daughters in 98 herds in both the United States and Switzerland make him one of the most appealing of the breed's higher reliability bulls. POLO balances milk production with positive components (+753M +0.0%P +26 P +.02%F +35F, 80% Rel.-M) and a +0.7 PTAT with a +0.43 udder composite and +0.27 foot and legs composite.

Based in Plain City, Ohio, Select Sires Inc., is North America's largest A.I. organization and is comprised of 10 farmer-owned and -controlled cooperatives. As the industry leader, it provides highly fertile semen as well as excellence in service and programs to achieve its basic objective of supplying dairy and beef producers with North America's best genetics at a reasonable price.

#### Athol Craswell Named 2005 Curtis Clark Award Winner

Atlantic Holstein breeder, Athol Craswell of Crasdale Farms, Hunter River, P.E.I., was presented with the 2005 Curtis Clark Achievement Award at the Royal Agricultural Winter Fair in Toronto, Ont., on November 12th. Craswell is the 19th recipient of this award which honours the memory of the late Alberta Holstein breeder and showman, Curtis Clark of Acme Holsteins.

Athol Craswell, 71, established his Crasdale Holsteins herd in 1968. He began showing cattle shortly after and over the years has been an avid showman and exhibitor at shows in the Maritimes, as well in Ontario,

Quebec and the United States. Crasdale Holsteins showed at the Royal Winter Fair for the first time in 1988 and have exhibited there almost every year since. Because of Craswell\_s great interest and willingness to help others it is not unusual to find cattle from other exhibitors tied in with the Crasdale showstring at shows. Crasdale Holsteins have won many Premier Breeder and Premier Exhibitor banners, scores of All-Atlantic awards, numerous All-Canadian nominations, and countless champion rosettes. Craswell was awarded a Master Breeder shield from Holstein Canada in 2001. That same year a herd favourite, All-Time All-Atlantic winner and three-time All-Canadian nominee, Crasdale Rock N Roll

(Ex-5E-CAN-5\*), was named Holstein Canada;s "Cow of the Year".

A soft-spoken, humble and unassuming man, Athol Craswell is a dedicated, respected and valued member of the Holstein community in Atlantic Canada. A former 4-H leader, he has been a mentor to many young Holstein breeders in his region. His great eye for spotting the \_good ones\_ has been put to use as an official judge at shows in Canada, the U.S. and Australia, and in selecting cattle for Holstein branch sponsored sales. His ability to find and bring in good cattle from outside the area for these sales has

led to the improvement of many herds in the region. Craswell is a past president and director of the Prince Edward Island Holstein Branch and served as a Holstein Canada national director from P.E.I. for ten years.

He chaired the Atlantic Holstein Promotions Committee from 1988 until early 2005, which is responsible for organizing and promoting the three major Holstein shows in Atlantic Canada. As a member and chairman of the former Atlantic Extension Committee, he was instrumental in helping develop the All-Atlantic competition, a Maritime Holstein Championship Show, managing field services and coordinating events throughout Atlantic Canada. He is a past director and chairman of Amalgamated Dairies Ltd., one of the largest dairy processing plants in Atlantic Canada. A strong community minded resident in his home district, he is also very active in his local church. A true gentleman and devoted family man, Craswell and his wife Helen have six children and 12 grandchildren. Two of their children are active Holstein breeders \_ Brian, who currently operates Crasdale Farms, and Elaine and her husband Abe Buttimer of Abelaine Holsteins.

The Curtis Clark Achievement Award is sponsored by the Alberta Holstein Branch and is awarded annually to the dairy cattle exhibitor who possesses the necessary attributes to be respected by his peers. Selection of the winner is made by former recipients of the award.

#### Procedure for Swissgenetics sires semen importation.

Dear Brown Swiss Breeders:

As you are probably aware, The Semex Alliance concluded last year anagreement to market semen with Swissgenetics. As a result, Brown Swiss proven bulls from Swissgenetics are available in Canada via The SemexAlliance partners. The Semex Alliance was asked to give details of the semen importation procedure to Canadian Brown Swiss breeders so that theycan plan their Swissgenetics semen purchases accordingly.

The importation procedure from Switzerland to Canada is done by thepersonnel at CIAQ on behalf of The Semex Alliance. It is normally made twice a year, following the August and the February proof release. Theselection of the bulls to import is made according to the MACE LPI ranking of the Swissgenetics bulls, the expected demand for these bulls and thespecial orders from any Brown Swiss breeders in Canada. The process to import semen usually takes about 30 days, so any new order is available inCanada sometimes in late September and in late March.

A special importation was made on November 2005 because a significantnumber of doses was ordered by breeders in Canada following the Royal Winter Fair. The semen from this special order will be sent to breederssometimes in late January or February 2006. Any special importation can be made by CIAQ if they feel it is worth doing it.

The breeders who want to get semen from a Swissgenetics bull not alreadyavailable in Canada will have to wait for a regular or a special order. However, if one wishes to get the semen quicker, he will have to pay thetotal importation procedure which is about 600 \$ CA, plus the normal semen price.

For more information on any proven Swissgenetics sires, please contact Mario Séquin by e-mail at msequin@semex.com.

Here is the list of Swissgenetics proven sires that will be available in January 2006:

Bull	Semen Code	Retail Price*	MACE LPI	
				(\$ CA)
CHEVRON	196BS10433	25 \$	+1203	
PARKO	N   A	30 \$	+1286	
PRUNKI	N   A	30 \$	+1507	
TABU	196BS10416	28 \$	+437	
WURL	196BS8028	30 \$	+1152

#### **New Generation Genetics Press Release**

- 54BS316 JOLT remains the leader for those seeking high production, with solid protein and strong type, all from a unique pedigree. We look forward to the influx of daughters over the next 6 months.
- 206BS10 BEAMER confirmed his place as the breeds best protein improver, and retained his position as the #1 Net Merit and PTI bull. He also improved to + .63 Udder Composite.
- 54BS311 SPECIAL regains his much of his ranking after adding many daughters the last 2 runs. Improving across the board, he proves once again why we believe he is so special!
- 54BS330 DENVER is consistently siring impressive open ribbed cattle with beautiful, high quality udders. He also improves components and milking speed. These are some of the reasons his demand remains a mile high.
- Find complete information on these and our entire line-up at: www.BrownSwiss.com

Dan Gilbert

#### C.L.R.C. Announcement

At its regular fall meeting in Ottawa on October 17th, the CLRC Board of Directors approved the CLRC budget for 2006.

After careful consideration of all expenditures, and of anticipated revenues in these still uncertain times in various sectors of our industry, the decision was made to eliminate one staff position immediately, and therefore, Debbie Sharkey, a 26 year employee, was laid off as of November 8th, 2005.

The 2006 budget, as approved, maintains the unit cost at \$4.95 for 2006. Your Board of Directors felt strongly that the unit cost must be maintained at the present level for the coming year to assist the member associations as they strive to recover financially from the BSE and border closures issues that have affected the industry.

Ron Black

#### **Darin Hill is New Marketing Manager**

We are pleased to announce Darin Hill is our new Marketing Manager, replacing Alan Graves, who returns to lowa to run his own business. Darin is no stranger to the Brown Swiss breed, as his family's farm is Hill's Valley Brown Swiss in New York.

Darin is a graduate of Cornell University, where he was a member of the winning National Collegiate Dairy Judging contest, and 4th high individual. He was also part of the winning 2001 National 4H judging team from New York and the National Champion post secondary judging team from SUNY Morrisville, where he captured 1st Individual for Reasons and Overall. Darin is also a District I Youth Achievement Award winner for the Brown Swiss breed.

Prior to New Generation, Darin worked as a dairy nutrition consultant for Cargill Animal Nutrition in California. He was accountable for managing nutrition accounts for large, commercial dairies.

"I am very eager to learn about unique, profitable breeding philosophies and combine them with the progressive philosophy of New Generation. More importantly, I have always enjoyed meeting new people associated with the Brown Swiss breed", Darin said. "I am really excited about this position with New Generation Genetics, and look forward to helping promote and aid in the progress of the breed and our customers".

New Generation has been blessed to employee talented, motivated people, who know cows, work well with people, and put our customers first. Darin will continue this tradition. Darin will reside near Fort Atkinson, WI, and can be reached at 920-568-0554, or darin@BrownSwiss.com.

#### **Birth Announcement**

Steve and Jen Henhoeffer (Spring Rose Swiss) are happy to announce the birth of their son Aaron Stephen, born September 2, 2005 at Cambridge Memorial hospital, weighing 7 lbs 5 oz. Fourth grandchild for Bill & Marlene Henhoeffer and second grandchild for Gerry & Norma Lowndes.

#### "Jemstone" Takes the Lead in Brown Swiss

R Hart CJ Jemstone gains 179 points to take the #1 LPI spot (#3 Milk, #1 Fat, #1 Protein) over Gubelman Denmark Daniel (#2 LPI and tied at #2 Conformation), who experiences some slippage of his own this round. While R Hart Cartoon stays solid at #3 LPI his counterpart, R Hart TC Denmark ET, slips from #2 to #5 LPI and Forest Lawn Pat Joytrek ET is sandwiched in between at #4 LPI. Denmark's maternal brother, R Hart Christians Ace ET, receives his first official domestic proof and debuts at #7 LPI, only two point behind Misa Jeetway Mascot ET at #6 LPI. For cows, Kruses Prelude Florida ET increase her LPI by 181 points to hold onto #1 LPI even though Swiss Dream Jetway Una tries to catch her by gaining 140 points, moving from #5 to #2 LPI. Una's daughter, Swiss Dream Denmark Unita stays firmat #3 LPI, which is also true for Gubelman Gordon Dora at #4 LPI. Castel Denmark Claudia slips back from last round to land at #5 LPI. Two cows make important gains to penetrate the Top 10 LPI list, namely Mon Paradis Sy Jet (#15 to #7 LPI) and Kama Gordon Itali (from #17 to #8 LPI). A daughter of Itali, Kama Eagle Inga arrives as the highest newly indexed cow this round at #17 LPI followed closely by Swiss Dream Premium Keisha (#23 LPI) and Drun Rovin Ace Brianna (#24 LPI tied at #5 Fat).

Recent discussions with CanWest DHI have resulted in a new service to be provided to client herds. CanWest DHI customer service representatives will now have NLID tag replacement forms on their laptops to facilitate replacement of missing EZE-IR tags. The form will be printed and completed on test-day, shipped with samples to DHI offices, and then provided to NLID. It is hoped that down the road, this could become a fully electronic service for even more rapid turn-around time in receiving replacement tags.

Thanks to Richard Cantin at CanWest DHI for facilitating this service, as well as to Ernst Gubelmann for championing the cause.

#### From My Side of the Fence....

With the end of the year fast approaching, it's time to reflect on some of the recent happenings in the Brown Swiss arena. And, by arena, I'm talking the show ring.

#### WORLD DAIRY EXPO.....Madison, Wisconsin

An awesome display of "Brown Swiss Beauty" is just one way of describing the top quality show that is put on at Madison every year. 2005 was no exception with some 341 head paraded before judge Steve White of Newcastle Indiana. Steve is the leading judge at World Dairy Expo with this year marking the 12th time he has had the opportunity of placing cattle on the "coloured shavings".

Returning to Madison and garnering her 4th straight Grand Champion Award was the perennial favourite Old Mill E Snickerdoodle Ex-2E94. What a fitting Champion again this year despite some "problems" earlier this lactation. This cow has an amazing will to survive and get ready for the "Big Dance". Following right behind in class with a total of 17 Aged Cow entries was the reserve Grand Champion from Mort Dairy and Topp-View Farm. Richeys Starbuck Brandy. sired by Mort Jade Starbuck, was equally impressive with her balance, frame and outstanding udder. Intermediate Champions were a One - Two punch from Ohio with the winner being Fox Trail Claire from Brown Velvet Swiss of London. Reserve Intermediate was the beautiful uddered Junior 3 yr old from Dr Kenny Manion/John & Bonnie Ayars string, Pop-Atop Denmark Julie, is sired by Denmark. Junior Champion came from the Spring Yearling class. Kar-Linn Coll Ryleen is a BC Collection daughter owned by the partnership of Elite Dairy in New York. This will be a herd to watch in the future as they have assembled quite a group of Swiss animals. Reserve went to another Starbuck daughter from Wisconsin.

The World Premier Brown Swiss Sale averaged \$5266.67 on 30 Lots and 2733.33 on 6 embryo packages. Heading the sale at \$22,000 was Snickerdoodle's July summer yearling by Primetime.

Another highlight of World Dairy Expo was the naming of the "Wisconsin Cow Of The Year". Being honoured this year was Sun-Made Jetway Shatzi Ex-93. Standing well up in the Aged cow class, Shatzi has a fabulous record of 6-05 365 2X 48,450 - 5.2 - 2506 - 3.4 - 1712. Owned by Thompsview Farms of Viroqua, Shatzi has 14 daughters in the herd that average 87 points. Her 1st choice Pete Rose calf sold in the Premier Showcase Sale.

#### NATIONAL BROWN SWISS SHOW....ROYAL WINTER FAIR......

Despite being down in numbers a bit from last year, the quality from top to bottom in every class at the 2005 Royal was exceptional. Placing the classes was Angelo Pozzatti from SwissGenetics of Switzerland. Angelo had nothing but praise for the quality of heifers exhibited in the junior female classes. Following in the footsteps of her late mother, Morsan Jolt Courtney garnered the Junior Champion Rosette for "New Owners" Leonard Chabot and Ferme Bertnor. Bred by Morsan Farms of Alberta this Jolt daughter is a mirror image of her 2X Royal Grand Champion Poplar Oak Courtney. Purchased just a day before the show, Courtney will certainly be the pride of Quebec this winter. Following along in reserve was the 1st Prize Senior Calf from Edencrest. Sired by Cartoon this heifer was cut from the same mold as the champion with strength, style and great feet and legs.

Edencrest came right back in the 3 year old class to claim 1st place and eventual Grand Champion on their homebred EDENCREST DUKE DAISY. Obviously a crowd favourite, Daisy is a sharp tall, long bodied cow with a well attached mammary system. Following right along in the championship parade and claiming the Reserve Rosette was the winning mature cow Gubelman Earnst Willow. Bred and owned by Ernst and Stephan Gubelmann, Willow has been a perennial campaigner at the Royal. Best Udder of the Show and winning the Lendvay Farms trophy was the 2nd place Mature Cow, Maycco Primo exhibited by John & Shirley Dortmans of Strathroy, Ontario. Making the long journey from Manitoba, Swiss Dream Farms, Fred Mathys and family would claim the winning Breeders Herd class. The coveted Premier Breeder and Premier Breeder Banners were claimed for the second straight year by the team from the Drummond's Shady Lane Swiss Farm. Winning the Total Performance Award from Anfield Acres was the 2nd place 5 year old Swiss Dream Denmark Unita from Swiss Dream.

#### ROYAL NOTES.....

2005 marked the change in the Royal schedule for dairy shows and this certainly made for less congestion with no beef cattle being in the barns. Space for the Brown Swiss was more than adequate and we could certainly use more numbers. The Royal management was aware of the situation with a couple of herds not being in attendance. The quality of "Our National Show" certainly speaks volumes this year and I'm sure we will be welcomed back to the Royal next year.

The Semex Alliance managed the "Sale of Stars" sale and set a new all time high average for this annual event. Included in the sale were representatives from every dairy breed exhibited at the Royal. Brown Swiss only had one entry but what a special gal she was. Right from the #1 LPI cow of the breed, Kruses Prelude Florida VG-88, this Dynasty daughter brought a very respectable price of \$9,100.

The Royal Show does not happen with out the help of many "volunteers" Surely I'd miss someone if I tried to mention all who chipped in on show day. To every one of you, a big "THANK YOU". Jessie and I mentioned more than once that this was one of the easiest shows we've worked to date. Thanks especially to the exhibitors who make the effort. We know the costs involved and we know the temptation but, other breeds notice that we're there at the Royal. And, every other breed had people watching our show this year. They were not counting numbers, they were watching "Quality"! The Board has picked the judge for 2006 and he's a well respected cow man. You'll like him!

#### A Closing Thought...

In just a few short days it will be Christmas, and what a wonderful time of year it is to put aside our every day worries and concentrate on the things that matter most in our lives.....our families and precious "Gift" ... the birth of a little baby. As you surround yourselves with family and friends this Christmas season may you find comfort, joy and above all ..... Peace! From our home to yours, Merry Christmas.!

Until next time......

### From the Secretary Manager's Desk ...

This year's Royal was a great success! A big thank you to the exhibitors, trophy donators, spectators and yodel choir. Special thanks to Tracy Reid, Tiffani Jelinski (our Brown Swiss Miss), Doug Green, Bryan Quanbury and Murray Reissner for their help and support in making the show run smoothly. Arrangements are already well underway for next years Royal so join the excitement of promoting the Brown Swiss breed and plan to support the show next year. The Board has recommended having a Milking Yearling Class added to the show order for 2006. If anyone is interested in providing a trophy for this class please notify the office. The Board has also recommended that the number of entries per herd be increased to 20 so this proposal will be forwarded to the Royal office. The Royal was not the same this year with Bruce & Norma Mason unable to attend. Best wishes to Bruce for a speedy recovery.

So many wonderful opportunities have been made available to our breed with the grant money from the Sustaining the Genetic Quality of Ruminants Program. Ernst has mentioned a number of the projects underway that are long overdue and we are excited to now be able to offer new promotion and exposure to our breed. You will find as part of this package a form for the membership directory. Please complete this form if you do not wish to be part of the directory or if you wish to publish further information.

Bova-Can Labs will be discontinuing traditional blood typing on December 31, 2005. As Ernst has mentioned if you have animals requiring blood typing for parentage purposes, use older semen or do embryo transfer please ensure that this work is submitted before the deadline. If members require blood typing for a few isolated cases, Veterinary Genetics Laboratory, University of California remains available.

Referring to the CLRC report of activities for January 1 to October 31st compared to last year; registrations have increased by 55%, transfers up by 117% and memberships increased as well at 37%. Bravo to each of our members that have contributed to the improved bottom line.

The next Annual General Meeting will be held in Ontario and the details are listed on the front page of this newsletter. I look forward to meeting you there!

Wishing you and your family a safe, healthy & happy holiday season!

All for now! Until next time ...

Season's Greetings,

Jessie Weir Secretary Manager
