December 2008

Message from our President

Thanks to everyone for helping to make the Royal Winter Fair a success again this year. The quality of cattle was the best promotion at this year's show. It was amazing how many people were watching the parade of champions from the grand stands. Our great cows with their bells around their neck walked around the ring. Many people couldn't believe what kind of top quality Brown Swiss animals were there. Thanks to Jessie for organizing the whole show, everything went smoothly. She also helped the American exhibitors get their cattle across the border. If you have never travelled to the Royal, you should really consider attending. Also a big thank you to everyone who donated trophies! We are always looking for new donators, if you wish to sponsor a class at the Royal please let Jessie know. Quite a few trophies and ribbons went across the border to the USA. We really appreciate the effort invested by the Americans to come to our Royal Winter Fair. Their cattle really added to our top quality show. It wasn't an easy task for Judge Roger Turner to place all the classes of cattle, he did a great job. It wasn't only the Americans crossing the border to win trophies, we also had some Canadians go to Madison to win trophies! The Donaldson family, especially, won a lot of ribbons, they even won reserve grand champion. Congratulations, and thank you for representing Canadian cattle in the US.

You are invited to attend the annual meeting in Abbotsford BC next spring. Thanks to the Donaldson who offered to hold the meeting. Hopefully many breeders take the opportunity to take this trip to BC. It is a great chance to get away with your spouse for a little holiday, and since it's a business trip it's a tax

write-off. Book a relief milker early, and take some time off with your spouse - you will enjoy yourself.

Isn't it great to have a good milk price, and also great cattle prices! Since we have long living animals we don't need as many replacements, so hopefully people can take advantage of today's markets. Do you know that Brown Swiss first calf heifers have statistically 10% more live born calves than Holsteins? Our easy calving breed has a lot to do with that. It is true that some Brown Swiss calves need more attention to get them drinking, but I'd rather spend the time with the calf then getting up in the middle of the night to pull calves and worrying about it. I hope that you will have more time to keep up with the registration of your cattle this time of year. Keeping your records current also helps the association to pay the bills. If you are using your own bull to breed cows make sure you get him DNA tested so you don't run into problems with purity of the offspring.

With Christmas just around the corner and a lot of snow on the ground it feels like Christmas already. I hope everyone can relax a little and enjoy the season with family and friends. I know what I'm going to ask for from Santa. Some better weather for next year so we can make better feed for our cows. Happy Holidays, Merry Christmas and a Happy New Year to everyone!

*Brown Swiss

From My Side of the Fence

Winter has come early in most regions and it looks like it's here to stay. Lots of snow in November and now just a few short days till Christmas and the New Year. Let's hope that 2009 is as exciting as 2008. We're hearing rumors again about falling milk prices in the USA and other countries, a drastic down turn in the economy, layoffs, bailouts, etc, etc and of course there will be a new USA President in January. Optimism is the word to keep in mind!

World Dairy Expo was nothing short of "Spectacular" with the border open and Canadian cattle making their presence known in every breed. Congratulations to the Bradner's from British Columbia on a stellar showing with "Ja Ka Hilary Hillbilly" being named Intermediate Champion and Reserve Grand Champion of the day.

Our own National Brown Swiss at the Royal was again one of the best performances in the last few years. Cattle were exceptional and a hearty congratulations and a great big "THANK YOU" to each and every one who made the trip from far and near. I know there is a cost involved in coming to the Royal but, it is your National Show and there is no other venue in Canada that showcases the best in Canadian Brown Swiss cattle and genetics than in the heart of Toronto at the "Royal" I get a little tired of people asking: "How's your numbers and will there be a Brown Swiss

show at the Royal". My response is "Don't miss the show! You'll know Brown Swiss is there!

However, we must also be realistic and realize that we "dodged the bullet" this year with just 75 entries being checked into the ring. That is the magic number! With the border open, it helped this year and we could have had more had it not been for some missed health tests.

Needless to say, the future lies in the hands of the breeders and it would be a tremendous loss to the Brown Swiss fraternity if we don't make a stronger commitment to the National Show. The cattle are the right kind and I see lots of return foreign visitors at the Brown Swiss show every year. The strong demand is also reflected in the prices for the Brown Swiss at the Sale of Stars. The National Show for 2009 is a go for now. Let's keep it at the Royal!

As Christmas approaches, much faster than we would like, let us all put aside those every day concerns and focus on the greatest gifts we have; our friends, our family and most importantly, "The Reason For The Season"
 From our house to yours ... Merry Christmas!

Until next time:
 Murray

Message from Peter Vail, Elite Dairy

Peter wishes to thank the Canadian members for their kind hospitality at the Royal Winter Fair. He is so happy the border is open and is hoping for more USA cattle to attend the Royal next year. A special thanks to Jessie, Stephanie and the Royal Show office for all the help received at the time of the show.

Provincial Brown Swiss Club Reports

Ontario

Hello, Brown Swiss breeders. Here in Ontario we have been getting a lot of early snow, so I guess we're in for a long winter. We had a great show at the Kincardine Fall Fair this year, with Junior Champion going to Norbella Jetway Ryann and Grand Champion going to Norbella Jetway Portrait. The Premier Breeder was Ernst and Stefan Gubelmann, with Dun Rovin Acres taking the Premier Exhibitor award. Congratulations to all exhibitors.

Our Annual Meeting was held on Saturday, November 29. Awards were given based on 2007 Ontario Dairy Herd Improvement Records. Highest B.C.A. on 10-25 completed records as won by Walter Von Ah with a Composite B.C.A. of 301.3 on 21 records. Von Ahs also won Most Improved B.C.A. with a gain of 25 points. Congratulations to Gubelmann Brown Swiss for their high B.C.A. of 274 for Over 25 Completed Records, and to Berger Farm Inc. with an improvement of 25 points on 27 records. We are proud of our breeders' dedication to the improvement of the Brown Swiss breed.

Our Brown Swiss Miss this year is Cassie Bates. We thank Cassie for helping at the fairs and the Annual General Meeting. We enjoyed getting together for a Barn Meeting in February at the home of Henry Martin, and for a picnic at Dave and Lori Bates.

We are looking forward to the new year with our new Board of Directors: David Bates, Romy Schill, Harold Jelinski, Kevin Osborne, Daniel Bates and Larry Workman. Thank you to Ernst Gubelmann, Lori Bates and Markus Daetwyler for their years of service as directors. Because of their dedication to the breed, we will continue to feel free to call on them for help.

It is with great sadness that we announce the passing of Glen McConnell's wife, Isabelle. Isabelle contributed greatly to the breed, and she will be truly missed.

Best wishes to our breeders, families and friends for the Christmas Season and New Year.

Tracy Reid

Québec

On Sunday July 27th 2008, the Brown Swiss picnic was held at Ferme Simmabec inc. in Saint-Valérien-de-Milton. Our hosts Lise Guérard and Serge Caron and their children welcomed over 70 people at their efficient facilities. Former Holstein breeders, they changed the colour of their herd a few years ago. In order to find enough animals to fill their quota, they purchased the Rochette herd in Québec and the Swiss Land herd in Ontario. All through the day, we could admire the great animals in their tie-stall housing. We had the chance to taste the cheese from Ferme Lehmann inc. Several door prizes were drawn among the people attending.

Our sincere thanks to our hosts and the participating sponsors!

ExpoQuébec

More than 50 head paraded in front of Judge Jocelyn Nault, at the Expo Québec show.

Heifers Schaerli Baby Daniel and Schaerli Barby Alta Brandon from Ferme Maron Senc. and owned by Markus Schaerli were awarded the Junior Champion and Reserve Junior Champion titles. Mr Schaerli also won the Progeny of Dam class with the same two heifers while Goulaise Uranus Tricheuse, owned by Ferme Goulaise inc., was named Junior Honourable Mention.

Later in the day, accompanied by the sound of alphorns, Moroco Cartoon Nésa owned by Ferme Sabono won the Grand Champion title for a second consecutive year. As for the famous Fragances Cartoon Eva of Ferme Fragances, she was awarded the Reserve Grand Champion title. In 2006, she had won the Junior Championship at the Royal Winter Fair. It is finally the impressive winner of the Adult Cow class, Isidore Starbuck Sahara of Ferme Lehmann, who won the Senior Honourable Mention title.

Victoriaville

Jacques Tourigny was the invited judge at the show that gathered about 25 head. Ferme Maron Senc. received the high honours of the day by earning the first positions in the Progeny of Dam and Breeder Herd classes, as well as the Junior Champion title with Schaerli Barby Alta Brandon, and the Junior Reserve Champion title with Schaerli Baby Daniel. The Honourable Mention was awarded to France Ouellet for her elegant junior heifer, Fragances Zeus Evita.

On the cow side, it is the fabulous Applegrove Vision Snapple who despite her advanced milking stage, attracted the judge's attention. With the strength of her mammary system, she was awarded the Grand Champion title. She is owned by Sylvain Hinse. The Senior Championship ended up with the Grand Champion title going to the cow Gahilet Kim Valient, owned by Jeannot and Lise Desharnais of Ferme Jolidai. They also earned the Honourable Mention title with a young and attractive 2-year-old cow, Swiss Land Conquest Bridgide, daughter of the famous Swiss Land Camelot Bridgetta.

We wish to thank all the exhibitors who work at keeping this show alive.

Genetics Advisor

I am pleased to introduce myself as the new genetics advisor for the Québec Brown Swiss Club.

For those of you who do not know me or want an update on my status, I am presently finishing my last year in Agricultural Science at Laval University. Besides my studies, I help my girl friend on her farm in Verchères where we are integrating more and more Brown Swiss animals among the black & whites under the "Brown Heaven" prefix. I also own several animals under the "Dayry Swiss" prefix with my father and my brother that are housed at my godfather's facilities in Pohénégamook. It is therefore to him that I owe my interest for the Brown Swiss.

During my years of studies at the ITA, I had the opportunity to work with one of the top herds in Canada, Swiss Dream Farm. It is at this precise place where my passion for the Brown has developed to the point where it is now and that I started my career as cattle fitter. Over the years, I became a proud supporter of shows and developed my passion for figures, genetics and LPI.

I was therefore able during the last years to prepare with my girl friend several exceptional cows for many shows such as the SIL, Expo Québec, Royal Winter Fair and, new this year, the World Dairy Expo, where we had the chance to fit the Reserve Grand Champion. Also at the last Royal, we earned our first high position in the Senior milking 1-year-old class.

Through all those work experiences, I believe that I have developed enough knowledge to advise you in matters of genetics. I will therefore be glad, through my work as genetics advisor, to advise you on any genetic mating, to find animals for you, to organise the spring show and the eventual fall production sale. I will also be glad to visit you and to develop our embryo product that we will be launching soon. It is important for any seller or buyer of Brown Swiss individuals to understand that the value of your animals is the same as that of a Holstein animal. Therefore, it will be important that you join the training session that will be held this winter on that subject!

I look forward to having the pleasure of working with you soon!

Dave Rousseau

Development Agent

Some of you may have heard that there was someone new in the area. Well, it's true. Like you, I let myself be charmed by the Brown Swiss.

Let me introduce myself. I am Sonia Dumont, your new development agent. Having had the opportunity to grow on the family dairy farm in St-Isidore de Beauce and to still be participating in it occasionally, I am very familiar with the realities of the agricultural world.

I graduated from the ITA de la Pocatière and I have been working since 2000 in the management of farm operations, mainly in dairy production. I have also worked in the field of communications, management and administration as a respondent in agricultural training, coordinator and project leader, and also as a farm union secretary.

Still active within the farm relief and farm union, I understand the importance of being pro-actively involved, organizing partnerships and making contact with the people and organizations in the agricultural field.

The various mandates that I have carried off, as well as my work experiences, have led me to take charge of major projects. This will allow me to meet marvelous challenges in your company.

After taking some time to manage the files, to find new ideas and projects, we will then be able to establish a communications plan. Together, we will set up various means in order to bring a larger membership in our association, and thus get our Brown Swiss better recognized and valued.

I will be happy to meet you at the Annual General Meeting. In the meantime, should you have any request, please do not hesitate to contact me at the Association office or by email. Looking forward to meeting you!

Harley Nicholson Hired as Jersey & Brown Swiss Program Manager....

The Semex Alliance is pleased to announce that Harley Nicholson has accepted the Jersey Program Manager position.

Harley will be responsible for all Canadian and USA Jersey sire procurements, in addition to promoting the benefits of Semex's complete line of component breed sires. In addition, Harley will be responsible for Brown Swiss acquisitions.

Harley has an impressive background and is respected nationally and internationally by industry colleagues, the scientific community and grassroots producers. His experience ranges from sire procurement and Director of Genetics Programs at CIAQ to General Manager positions at Eastern Breeders Inc. and Westgen. Most recently, Harley served as the Marketing Manager at Holstein Canada.

Harley is fluent in English and French and will bring an unique combination of practical, technical and communicative skills to the Jersey Program Manager position.

Harley will be based from the Semex Alliance office in Guelph, Ontario, and will begin his duties in the New Year.

From the Secretary Manager's Desk ...

With the borders open this year for cattle from Canada to attend World Dairy Expo in Madison, Wisconsin, Bradner Farms took up the challenge to transport their string to the show. Pat & Rob Donaldson & family made Canada proud not only in the show ring but as gracious ambassadors of the breed and Canada. The Donaldson's proudly won Honourable Mention Junior Champion, Intermediate Champion and Reserve Grand Champion in the Brown Swiss ring. They were also able to encourage a number of Brown Swiss breeders from the United States to submit entries for the Royal. Two US exhibitors did cross the border to attend the show which made for an excellent show. Thank you to all our exhibitors, trophy sponsors, donors & buyers of cattle/embryos and the many people that help to make the Royal run smoothly. There are a few classes at the Royal that are open for sponsorship. If you are interested in sponsoring a class please contact the office.

The forms for the All Canadian contest are enclosed with this newsletter. Please submit your entries as close to December 31st as possible.

With the snow now falling and winter settling in, please take the time to bring your registrations up-to-date. A quick update on the financial situation of the association has the registrations just done slightly from last year, transfers down considerably and the number of members has increased for the same time period as last year. The association continues to run close to budget with the goal of finishing in the black at year end.

The Annual General Meeting will be hosted by the Donaldson family in Abbotsford, BC in 2009. Details of the annual meeting are at the beginning of the newsletter however Pat did indicate that West Jet would likely be the best airline and she is hoping the daffodils will already be in bloom. Looking forward to seeing as many as possible in B.C.!

I would like to take this opportunity to wish everyone a safe, happy & healthy holiday season. May your time spent with family and friends be truly enjoyable!

Jessie Weir
 Secretary Manager

Season's Greetings from Canadian Brown Swiss & Braundieh Association
