

B CANADIAN Brown Swiss & Braunvieh Association

December 2010

Message from our President

It only happens once in a farmer's life that we get a super crop, a good price and the weather cooperates so we get our crop off in time. I hope this was also the case for everyone else.

The parade of champions at the Brown Swiss show drew a lot of attention. Whether it's the bells or the big brown cows, it is promotion at its best for our Brown Swiss. Thanks to everyone who helped make it happen. Special thanks to Jessie and Bruce for their efforts to convince everybody to bring their cattle to the Royal. I'm really thankful to all the exhibitors who went through great lengths and expense to bring their cattle to the show. Judge Glen

McNeil did a wonderful job at placing the cattle. The quality of cattle was superb and there was no easy winner.

I like nice beautiful cows but only if they help pay my bills. It is really important that we breed cows that are also profitable and not just capable of winning ribbons. DHI has a tool which is called the cow income monitor. It will tell you which cows make you the most money. The next time your milk tester is in ask him for the income monitor list, you will be surprised by which cow makes you the most money.

So it's time to start thinking about the annual meeting, it will be in St. Hyacinthe, Quebec. I hope many breeders will take to opportunity to come to the

sale, show and the meeting. I hope you have ordered your relief milker and have booked your tickets so that you can go.

In the meantime I wish you a Merry Christmas and a happy New Year. Hopefully you'll have a little spare time to think about how to improve our breed. If you come up with any answers please let us know so we can know too. Yes we do have a good cow with our Brown Swiss but we can't stand still we need to improve her all the time. Thanks to everyone who has helped our association during 2010.

Until next time,

Brown Swiss ... Components that pay, Cows that last
Your President, Ernst Gubelmann

“Gubelman” Prefix Dominates Top Rankings for Brown Swiss Cows

While the Brown Swiss breed has no young sire graduates this round, various foreign proven sires receive their first official domestic LPI. The highest of these, however, is Sun-Made Vigor ET at #25 LPI while Barmettler BS Ace Agio ET is the next highest at #44 LPI. In general, the former breed leaders maintain their LPI standing, headed by the trio of Ransom (#1), Special (#2) and Goldmine (#3). The main exception is Blessing Banker Agenda ET, who loses 300 LPI points and slips from #5 to #10 LPI. Brown Swiss cows experience some interesting results with Gubelman Cartoon Maxine remaining with the exact same LPI

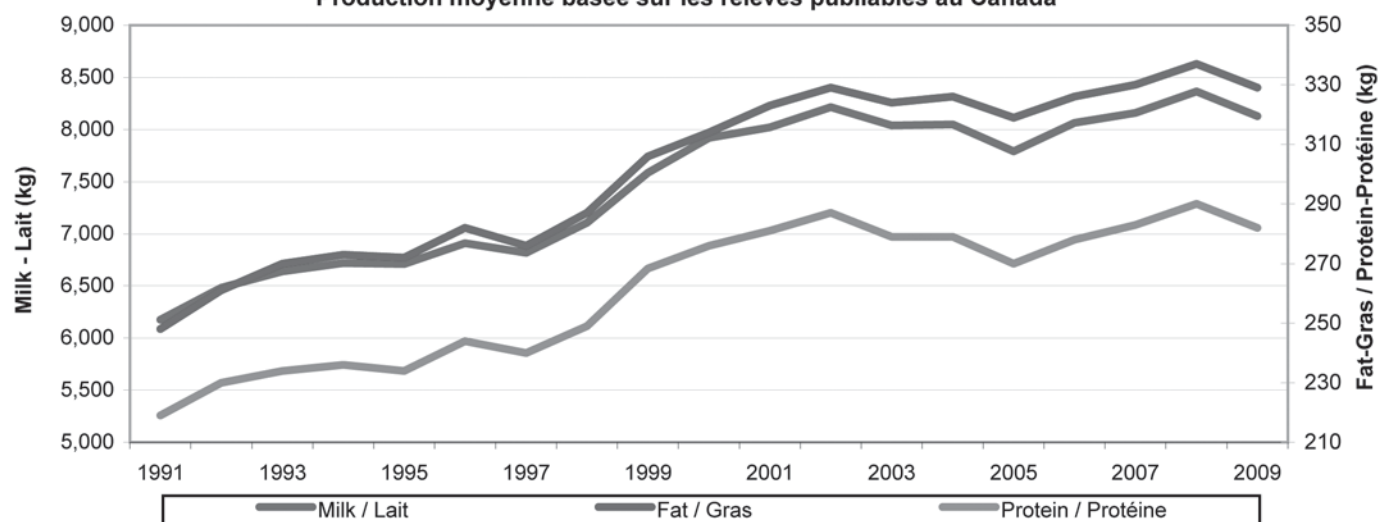

to maintain #1 LPI status. She is followed by three stable mates, namely Gubelman Scipio Lisa (#2 from #23 LPI with a 403-point increase), Gubelman Draft Deana (#3) and Gubelman Wagor Dove (#4). With Top Swiss Payoff Bombay at #5 LPI, the remainder of the Top 10 LPI list includes many from the previous list with the exception of Paufferlou Wurl Stora at #9 LPI from #17 last round. The highest newly indexed cow this round is Top Swiss Special Siesta at #17 LPI.

New Generation Genetics Captures Premier Sire at World Dairy Expo

Company collects prestigious banner for first time with bull Premium

Fort Atkinson, Wisc. (October 14, 2010)—At the 2010 World Dairy Expo held September 28 – October 2 in Madison, Wisconsin, New Generation Genetics took home the Premier Sire banner for the first time in company history. The winner of the esteemed honor was Top Acres EP Premium ET, an influential bull in the Brown Swiss breed and a sire of sons currently offered in the New Generation Genetics proven line-up.

New Generation Genetics bulls sired 32 animals that placed in the top 6 in each class, representing one-third of the animals! Demonstrating the diversity of the New Generation Genetics line-up, the 32 animals were sired by 12 different bulls, including 19 in the milking classes.

Results are as follows:

New Generation Genetics Press Release

Another exciting run at New Generation Genetics! The December run revealed the Top 4 milk, Top 2 Fat, Top 3 Protein and Top 2 Net Merit bulls all reside at NGG! The current line-up also includes 3 of the Top 6 Type bulls and the #1 bull for Productive Life.

Steady and Stable

With the influx of significant numbers of new daughters, we are pleased with the stability of our leading bulls:

54BS374 VIGOR while adding 75% more daughters, Vigor moved further up the production list, while remaining amongst the elite in nearly every important category! In fact, he is now the #1 Udder Composite bull available in Switzerland, and is in the top 5 in the U.S. See our web site later today for some amazing new daughter photos!

54BS456 WONDERMENT added 30% more daughters and strengthened his position as one of the breed's elite production bulls. He now ranks 1st for milk, fat, protein. He also moved to the #1 position for type.

Emerging Stars

54BS438 BROOKINGS (Payoff X Denmark) is the most exciting new bull for many years. He blends solid milk with high components and elite health traits. Add his

new elite udder composite, and you see why the excitement has built for this elite Payoff son. With no Ensign in the pedigree, he is easy to use for improving DPR, Productive Life and Somatic Cell and Milking Speed.

54BS433 GALAXY (Premium X Ensign) has moved from a popular sire in waiting to one of the breeds elite production bulls, ranking 3rd for milk. His tall, long and stylish heifers are now clearly able to get it done in the milking parlor just as easily as the show ring.

54BS437 TORCH (Beamer X Pronto) is a new release from a brand new cow family. He boasts extremely good components and health traits. In fact, he ranks #3 for protein right out of the gate. Daughters have plenty of power with well attached udders. His outcross pedigree will make him easy to use.

54BS415 SOLUTION (Collection X Emory) moved up nicely, further cementing his place as Snickerdoodle best son for production. He is also Collection's highest bull for Udder Composite.

54BS410 ALLOY (Dynasty X Collection) remains an elite production bull, ranking 4th for milk. His powerful daughters have exceptional feet and legs, and perhaps the most impressive rear udders in the business!

Provincial Brown Swiss Club Reports

Manitoba Once again the Manitoba Club would like to thank everyone for making the Annual Meeting a success! Our Annual picnic was held at Clarence and Linda Doerksen's farm near Austin, Manitoba. We had a good turnout and

the weather was beautiful. Everyone enjoyed their day. Thank you to the Doerksen family.

Ontario December 2010

Another year has almost passed. We have spent some great time with fellow breeders at our Barn Meeting at Albert and Vreny Rechsteiner's, and at our picnic at the Gubelmann's. Our Brown Swiss Miss this year is Jeanette Schramm. Jeaneatte grew up on a 200 acre Brown Swiss farm near Auburn. She is currently in Grade 11, plays soccer, and plays sousaphone and alto sax in an all-girls marching band. It was great to have her helping at our fall fairs, and we will see her at Clinton for our Spring Show.

We held our Annual General Meeting on November 27. We thank Romy Schill, our Chairman this year, for hosting an excellent meeting. We also thank Harley Nicholson, who works with Semex Alliance doing Sire Selection. Harley educated the breeders on the benefits of using genomics in the selection of sires for their own herds.

Daniel Bates, one of our directors, has set up a facebook page for our Ontario Association. This is a great way to learn about our events and keep in touch. Go to facebook and look up Ontario Brown Swiss Club.

We look forward to the new year with our new board of directors: Ernst Gubelmann was re-elected as our representative in the C.B.S.B.A. We thank Ernst for everything he continues to do, including being our sale contact each year. Our Ontario Directors are: Romy Schill, David Bates, Harold Jelinski, Daniel Bates, Troy McConnell, and Simon Signer.

Merry Christmas and best wishes for 2011 from the Ontario Brown Swiss Association to our fellow Brown Swiss Breeders, family and friends.

From the Secretary Manager's Desk ...

Another busy year has come and gone. Looking back over the year it is evident the breed is truly blessed to have so many dedicated, caring and supportive members who work toward the betterment of the breed. Working as a smaller association we are constantly challenged in every area of our existence whether it is financially to stay in the black, with promotion of our breed, representation at meetings or maintaining our entry numbers at the Royal Winter Fair. Each year it seems to become increasingly harder to meet our targets however every year I am happily surprised at the outcome. We were so very close with our numbers this year at the Royal however again the target was met and the quality was outstanding. A huge thank you to the exhibitors, sponsors, directors and helpers at this year's Royal for helping make it another successful show! My only hope for future Royal shows would be to have a high quality show with lots of animals present.

Since the Royal, I was asked to summarize the Royal Brown Swiss show since the beginning for an upcoming article. I thought it would be a daunting task and one I really wasn't looking forward to. However after reviewing all the old files, newsletters and summaries I truly wish I had completed this task ten years ago. There is such a strong strength of cow families and member pride in this association which I was very much aware of however was confirmed with my research. Below are a few of the details:

- November 22nd, 1922 was the first Brown Swiss Show at the Royal Winter Fair, Toronto, ON. Brown Swiss was one of the six dairy breeds that exhibited the first year of the Royal.
- The Brown Swiss breed had a break from showing at the Royal until November of 1976 and they have shown at the Royal every year since.
- The Grand Champion of the 1976 Royal was Alfalfa Acres Beautician Sonya owned by Dun Rovin Acres. Dun Rovin Acres also were awarded with the Premier Breeder and Premier Exhibitor for this the Brown Swiss entry back to the Royal.
- The largest Brown Swiss Show at the Royal was in 1989 with 125 animals exhibited.
- Impressive multiple Royal winners:
 - o Stonehaven Angel, Edenridge Farms, Grand Champion 1978, 1979, 1981, & Res Grand Champion 1977 and 1980.
 - o Eventide Duke Daisy, Edencrest Swiss, Grand Champion 2005, 2006, 2007 and Junior Champion 2003

With new cow indexes and bull proofs in December this year, the newsletter is a bit later being mailed. I would like to bring your attention to a couple of deadlines that are fast approaching. The entries for the All Canadian Contest are due to the office by December 31st or as soon as possible thereafter. The Board of Directors are strongly in favour of professional pictures for the All Canadian Contest however if not available it is important that the pictures are of high quality and a good promotion for the breed. Any amendments to the constitution are due to the office by January 17th, in order for the amendment committee to review before sending to the membership.

The Quebec club is organizing a fantastic few days for our Annual General Meeting at the time of the Sale and Show in St. Hyacinthe. The details are listed on the front page of this newsletter so please plan to join us. The registrations for this year up to the end of October are at 1618 compared to 1486 for the same time last year. Transfers are about the same but memberships are down slightly. Please continue to register your animals in a timely fashion.

Thank you so much for another great year and for the opportunity to serve your breed. Wishing you and yours all the best this holiday season!

Merry Christmas and a healthy, safe, prosperous New Year!

Jessie Weir
Secretary Manager

Seasons Greetings from Canadian Brown Swiss & Braunvieh Association

One of the real joys of the holiday season is the opportunity to say thank you and to wish the very best for you in the new year.
