

# B CANADIAN Brown Swiss & Braunvieh Association

August 2009

## Message from our President .....

More than half of 2009 has passed us by and soon it will be time again for our Royal Winter Fair! I hope everyone is getting in gear for the show and everyone enters some of their cattle in it. In my opinion, it is still one of the best ways to promote yourself as a breeder and to promote the Brown Swiss breed. If you need any assistance with anything regarding this year's Royal, please feel free to call the office or contact me. I hope to see old friends and new faces at the Royal this year. I'm sure you have seen the annual report and have noticed that our finances aren't looking their best. I'm positive with everyone's help it is still possible to balance our finances. The annual meeting in Abbotsford, BC, was one of the highlights of our year. We had a good meeting and after dealing with all the issues we still had time to do some socializing with all the Brown Swiss breeders. I was quite surprised by the number of breeders who came to this year's meeting, thank you all for coming. One of the things decided at the meeting was, we would allow some young Brown Swiss enthusiasts to be able to sit in on the directors meeting to see how the association is run. I am looking forward to see some young people at next year's meeting. Thank you to the Donaldson Family and the Higgs Family for organizing such an outstanding meeting and exceptional farm tour. I really enjoyed it. We are really fortunate here in Canada to have a supply management system that guarantees a fair milk price. I really feel sorry for dairy farmers around the world, who have to put up with milk prices that won't even cover feed costs. I hope everyone helps to keep our system in place, which helps us keep our dairy farms going. Until next time I wish everyone good luck in house, field, and barn.

**Brown Swiss**  
**Components that pay, Cows that last**  
Your President, Ernst Gubelmann

## Congratulations to Ferme Lehmann!

The Lehmann family of Lac-Saint-Jean received the highest honours at the last Canadian Cheese Grand Prix for its washed rind cheese, the Kenogami. In 2004, it had won the award for Artisanal Farmhouse Cheese for its Valbert, which has also received many Caseus awards over the years. Marie and Jacob Lehmann emigrated from Switzerland in 1983 to offer their children, Isaban, Sem and Lea, the chance to make a living from farming. Quickly getting involved in farm work, the children are active today at every level of production, from livestock care to cheese making.

The Lehmann family believes that a cheese's good taste is the result of work that begins long before manufacturing, and that nothing should be left to chance. On La Ferme Lehmann, the land is cultivated without pesticides or chemicals. The animals are fed a variety of forage plants and cereals grown directly on the farm. The herd is composed exclusively of Brown Swiss, recognized for the richness of their milk. For the Lehmann, artisanal cheese making is more than a trade – it's a way of life.

38 head were shown at Hanover on a sunny Saturday afternoon. They were placed very efficiently by Judge, Norm McNaughton. Everyone was excited about this first time show here. Thanks to all who came, participated in the show and helped out with the organization of the show.

Thanks again until next year, Fred Hopkins and William Yarosh

## Info from New Generation Genetics

Finally, proof information is available! The first run with genomics incorporated resulted in some glitches,...

All NGG bulls are now genomically tested, and therefore, that information enhances their standard proof. The same will be true for all our young bulls, who will now have a genomically enhanced Parent Average.

### Top 3 Spots!

**54BS374 VIGOR, 54BS317 TD and 54BS392 POMERE** are 1-2-3 on the Net Merit List! Not bad, and then add in **54BS456 Wonderment** at #6 and you will see why we are excited! Weather mega milk, breed leaders for udders, feet and legs or productive life, these 4 deliver!

### New On the Scene

In answer to the question, "What's New?" We answer **54BS410 ALLOY**, who emerges as an elite production bull (#3 Milk at +1559, 83% Rel.) and is a solid +1.1 for type. Further, he is the first Dynasty son, and from a great, new cow family! Also new on the proven list is **54BS415 SOLUTION** the first Snickerdoodle son to be returned to active service! Balanced cows, with shallow udders, and a stout +806 milk.

### Bulls on the Move

**54BS385 MONARCH** is a bull which has not gotten due attention. He combines solid milk, good components with a DPR of +.6 and a growing Productive Life score. He is making the kind which will last and last.

**54BS388 PACKAGE** has now risen to +902 milk, with nearly a point in udder composite...a nice combination!

## From My Side of the Fence

Just a few notes regarding some recent happenings in the industry as well as some important events that will be happening over the next few months.

August 2009 marks the 50th Genetic Release by CDN and the first to include Genomic information for Holsteins. Genomics is on the agenda for all dairy breeds and the first Brown Swiss information with "genomics" is coming from the USA. Congratulation to the Association and their incentive to pursue this technology further for the betterment of the breed. As we learn from larger populations, this exciting new tool will certainly be very useful in all breeds

With the new Genetic Release, just a few quick update on some of the sires.

Scharz BS President Alibaba: A President from a Starbuck dam, Alibaba sit right at the top of the Swiss Genetic list and excels in components, feet and legs and mammary systems

Jolahofs Polo Jonguleur: A Polo from a Starbuck, Jonguleur most outstanding traits are Mammary System, Stature, Frame and Pastern

Hanny Swiss Gordon Wurl is now proven in Canada and although not extreme on production, he does add stature, width of rump, and angularity

Barmettler BS Ace Agio has been quite popular in Canada but, his semen supply in some areas is very low and there will be no more coming to Canada. All of the above bulls are on a pre-order basis. Contact your Semex partner to reserve your supply from a very limited quantity.

World Dairy Expo is coming again the first weekend of October. Canada was well represented last year and we look forward to participation from north of the border again this year. The theme for World Dairy Expo this year is "Legendary" They will be recognizing cows and people from each breed as legendary. I know a cou-

ple of cows in other breeds. Plan on attending to see who the legendary Brown Swiss cow will be.

The big event for the Canadian side is the National Brown Swiss Show at the Royal Winter Fair. Norm Magnusson will be officiating and I believe this is a great honour to have a very well recognized Brown Swiss breeder as our official. Last year proved a lot to the Royal management. A hearty congratulations to every one who made last year's show such a success. Hopefully our friends from the USA will again have the National Show on their agenda with entries coming to compete. The Royal is having a strategic planning session and they have asked the Canadian Brown Swiss Association to be part of that planning for the future. Let's continue to be a presence at the greatest showcase for Canadian agriculture. ...The Royal! Entry deadline is September 28, 2008 so get your entries in early.

See you in Madison or at the Royal.

Until next time:  
Murray

### Ontario

#### ONTARIO News – Summer 2009

Hello, fellow Brown Swiss breeders across Canada. Summer in Ontario is cool, damp, and we're still waiting for some heat. We are still enjoying our usual events.

Our picnic was held on July 19 at the home of Hans and Margreth Signer. Chairman David Bates welcomed the 45 members present and said grace before lunch. We enjoyed a meal of hamburgers provided by the Signers and salads and dessert brought by the guests.

After lunch, Ernst Gubelmann, C.B.S.B.A. President, thanked the Signers for inviting us to their home. Ernst has arranged a Brown Swiss Sale, to be held on August 5, 2009 at Dave Carson's at Listowel, starting at noon in conjunction with a Jersey Sale. There are 16 Brown Swiss consignments to date. If you have any last-minute consignments, please contact Ernst at (519)527-2396.

Ernst thanked everyone who attended the C.B.S.B.A. Annual General Meeting in British Columbia this spring. The Canadian Association will be making a new directory, so please get your forms filled out so this can be finished as soon as possible.

Members, family and friends introduced themselves.

As usual, we must raise funds for the Ontario Association. We held a 50/50 draw and collected a total of \$134.00. Rita Gubelmann won the draw, and we thank Rita for donating her winnings back to the Association. The Signers donated a wheel of Brown Swiss cheese which they made and a bag of Dacolac. These items were bought by Rita Gubelmann and Hans Signer for a total of \$100.00. We thank everyone for their efforts to support their association.

We thanked Cassie Bates for serving as our Brown Swiss Miss for the past two years. Our Brown Swiss Miss goes to several fairs and our Annual Meeting. Amber Elliott was present to volunteer to be our new Brown Swiss Miss for 2009. Amber has been around Brown Swiss on her family farm all of her life. Cassie presented Amber with her sash and tiara. We look forward to getting to know Amber throughout the year.

Muriel Osborne reminded everyone about the 4-H Dairy Show which will be held at Lucknow on August 3, 2009. Last year, eight counties were represented at this show.

A barn tour wrapped up the afternoon.

We are also looking forward to our fall fairs, starting at Hanover on August 3 and Kincardine on September 5. Best wishes to everyone for the rest of the summer.

Holstein Canada will provide services to deliver testing for genomics for those wishing to have their animals tested. The application form for the 50K SNP Genomic Testing and further information can be located at the following link:

### CDN Brown Swiss Comments

#### "Polo" Receives Official Domestic LPI in the Brown Swiss Breed

Triangle Acres Pol Polo ET (Zoldo x Connection) obtains his first official LPI in Canada after being proven in the United States, to land at #5 LPI, #2 Protein, #5 Milk and tied at #9 Fat. Immediately ahead of him at #4 LPI is a maternal brother by Prelude, namely Triangle Acres Po Payoff ET. Although Quincy Even Special makes an heroic effort with a 402-point gain in LPI, he remains at #2, still sandwiched between Blessing Prophet Ransom (#1 LPI) and R Hart Cartoon

(#3 LPI). For cows, the trio of breed leaders remains headed for a third consecutive round by Swisslane Cartoon Lisa at #1 LPI but her cohorts, Swisslane Denmark Kathi II and Swisslane Cartoon Kathi, swap rankings at #2 and #3 LPI, respectively. After receiving her first official LPI last round, Diemen Tobias Renate 1074 realizes a 288-point LPI gain to move from #11 to #4 LPI with Kruses Prelude Florida ET on her tail at #5 LPI. Sabono Cartoon Kerla makes her mark as the highest newly indexed cow this round at #23 LPI.

### Curtis Clark Achievement Award Nominations Sought

Nominations for the 2009 Curtis Clark Achievement Award are currently being sought. Presented annually at the Royal Agricultural Winter Fair in Toronto, Ont., the Curtis Clark Award goes to the dairy cattle exhibitor who possesses the ability, sportsmanship and character necessary to be respected by his fellow breeders and showmen.

To be eligible for the award, the nominee must be an <sup>3</sup>active<sup>2</sup> showman, breeder or manager of any dairy cattle breed in Canada who is exhibiting cattle at major shows in this country. Nominees will be judged on their support of breed activities and ability to breed, manage, develop and exhibit dairy cattle. The Curtis Clark

award is sponsored by the Alberta Holstein Branch. Selection of the winner is made by former recipients of the award. This year's winner will be announced on November 13th during the Royal's National Holstein Show.

Nominations for the award, which should include a brief résumé on the nominee, should be sent by October 7th to the Curtis Clark Achievement Award Committee Chairman, Mrs. Marjorie Atkins, R.R. 2 Stn. Main, Leduc, Alberta T9E 2X2, phone 780-986-3810, fax 780-986-7160; or to the Committee Secretary, Bonnie Cooper, Holstein Journal, 30 East Beaver Creek Road, Suite 210, Richmond Hill, Ontario L4B 1J2, phone 905-886-4222, fax 905-886-0037, e-mail [bonnie@holsteinjournal.com](mailto:bonnie@holsteinjournal.com). Nominations previously submitted for the award need not be submitted again.

### From the Secretary Manager's Desk ...

Farming can be difficult at the best of times, especially when the weather does not cooperate. I hope your summer harvest provided great feed for your cattle and the fall crops are bountiful as well. There are a few congratulations that I am very happy to extend to a few of our members. From 172 cheeses made by 41 different cheese makers across Canada, the Category Winner and Grand Champion of the 2009 Canadian Cheese Grand Prix was Kenogami from Ferme Lehmann. Congratulations to Ferme Lehmann, who offers a variety of cheeses made exclusively with milk from their farm where the cheese is produced. Secondly, my congratulations and condolences are extended to Markus Mueller in the loss of his amazing Brown Swiss cow, Long View Jades Raisin (EX-94-2E). Raisin lived to be 21 years of age and produced over 142,000 kgs of milk in her lifetime. Congratulations Markus for owning and caring for such an amazing individual! Thank you is also extended to Fred Hopkins and Bill Yarosh for organizing the first ever Brown Swiss Show in Hanover. It sounds like it was a great show!

The Board of Directors is currently reviewing a research proposal to address various issues with implementing genomics in dairy breeds of smaller population

size. DairyGen will consider this proposal along with seven others at its meeting scheduled for October 14th. Further information will be provided once details are known. In the meantime, if members are interested in having their animals tested for genomics, there is a service provided through Holstein Canada and information can be obtained from their website.

In the not so distant future, CLRC will be making changes to their website to improve the ease for accessing various options. Keep watching the CLRC website for changes this fall. Thank you to everyone who submitted their forms with additional information for the membership directory. I will be compiling the information and printing the directory in time for the Royal Winter Fair. The Royal Winter Fair entry closing date for the Brown Swiss breed is Monday, September 28th, 2009. The time of arrival is Tuesday, November 10th, 5:00 a.m., and they are asking that animals be in place by Tuesday, November 10th at 9:00 a.m. The Brown Swiss Show at the Royal Winter Fair will be Friday, November 13th, 8:30 a.m., in the South Ring of Excellence and judged by Norman C. Magnussen, WI. Looking forward to seeing you at the Royal!
